

Rule 15c1-6 states that any broker-dealer trying to sell to or buy from a customer a security in a primary or secondary distribution in which the broker-dealer is participating or is otherwise financially interested must give the customer written notification of the broker-dealer's participation or interest at or before completion of the transaction. The Commission estimates that 446 respondents collect information annually under Rule 15c1-6 and that each respondent would spend approximately 10 hours annually complying with the collection of information requirement (approximately 4,460 hours in aggregate).

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.

### Proposed Collection; Comment Request

*Upon Written Request, Copies Available From:* Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE., Washington, DC 20549-2736.

*Extension:* Rule 15c2-1,

SEC File No. 270-418, OMB Control No. 3235-0485.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 ("PRA") (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the existing collection of information provided for in Rule 15c2-1, (17 CFR 240.15c2-1), under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*). The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Rule 15c2-1 prohibits the commingling under the same lien of securities of margin customers (a) with other customers without their written consent, and (b) with the broker-dealer. The rule also prohibits the re-hypothecation of customers' margin securities for a sum in excess of the customer's aggregate indebtedness. Pursuant to Rule 15c2-1, respondents must collect information necessary to prevent the re-hypothecation of customer securities in contravention of the rule, issue and retain copies of notices of hypothecation of customer securities in accordance with the rule, and collect written consents from customers in accordance with the rule. The information is necessary to ensure compliance with the rule, and to advise customers of the rule's protections.

There are approximately 61 respondents (*i.e.*, broker-dealers that conducted business with the public, filed Part II or Part IICSE of the FOCUS Report, did not claim an exemption from the Rule 15c3-3 reserve formula computation, and reported that they had a bank loan during at least one quarter of the current year) that require an aggregate total of 1,373 hours to comply with the rule. Each of these approximately 61 registered broker-dealers makes an estimated 45 annual responses. Each response takes approximately 0.5 hours to complete. Thus, the total compliance burden per year is 1,373 burden hours.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or

other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.
