#### Preliminary Results of Changed Circumstances Review

Based on the Department's analysis of the information provided by GNF-A with its request for CCR, and in its August 1 and 15, 2014 responses to the Department's July 11, 2014 questionnaire and July 15, 2014 questionnaire revision, in accordance with 19 CFR 351.216, we preliminarily determine that changed circumstances (earthquakes and other external events) exist which have affected GNF-A's ability to manage its inventory and comply with the 18-month re-export requirement. As such, it is appropriate for the Department to allow GNF-A to make certain future entries of LEU under the provision for exclusion from the scope of the order and to find that certain past entries by GNF-A of LEU from France satisfy the conditions for exclusion from the order. Because the Department's full analysis of the details of GNF-A's request for CCR and the information provided by GNF-A in its questionnaire response requires a discussion of business proprietary information, the full analysis can be found in the proprietary Memorandum for Paul Piquado, Assistant Secretary for Enforcement and Compliance, "Preliminary Results of Changed Circumstances Review: Analysis of GNF-A Business Proprietary Information," available on Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (IA ACCESS) (<http://iaaccess.trade.gov>) to parties who have been granted access to business proprietary information under Administrative Protective Order. A public version of this memorandum is also available on IA ACCESS, and it is available to all parties in the Central Records Unit of the main Commerce Building, room 7046. In addition, a complete public version of this memorandum is accessible on the internet at <http://enforcement.trade.gov/frn/index.html>. The Department will issue revised certifications and

instructions to U.S. Customs and Border Protection regarding GNF-A's compliance with the 18-month re-export requirement.

#### Notification Regarding Revised Entry Requirements

The Department recently revised the entry requirements for LEU from France. The Department determined that it is appropriate to suspend liquidation for shipments of LEU from France that may be conditionally excluded from the scope of the AD order. Such entries will be suspended and cash deposits of estimated AD duties will be required, at a rate of zero percent *ad valorem*.<sup>4</sup>

Case briefs from interested parties may be submitted not later than seven days after the date of the announcement of these preliminary results. Rebuttal briefs, limited to the issues raised in the case briefs, may be filed no later than five days after the submission of case briefs. Any hearing, if requested, will be held no later than 15 days after the date of publication of this notice, or the first business day thereafter. Persons interested in attending the hearing, if one is requested, should contact the Department for the location, date and time of the hearing.

All written comments shall be submitted in accordance with 19 CFR 351.303. #### Certain Frozen Fish Fillets From the Socialist Republic of Vietnam: Initiation of Antidumping Duty New Shipper Review; 2013–2014

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**DATES:** *Effective Date:* October 2, 2014.

**SUMMARY:** The Department of Commerce ("the Department") received a timely request for a new shipper review ("NSR") of the antidumping duty ("AD") order on certain frozen fish fillets ("fish fillets") from the Socialist Republic of Vietnam ("Vietnam"). The Department determines that the request meets the statutory and regulatory requirements for initiation. The period of review ("POR") for this NSR is August 1, 2013, through July 31, 2014.

**FOR FURTHER INFORMATION CONTACT:** Alexander Montoro, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: 202–482–0238.

#### SUPPLEMENTARY INFORMATION:

##### Background

The AD order on fish fillets from Vietnam was published in the **Federal Register** on August 12, 2003.<sup>1</sup> On September 2, 2014, pursuant to section 751(a)(2)(B)(i) of the Tariff Act of 1930, as amended ("the Act"), and 19 CFR 351.214(b), the Department received an NSR request from BASA Joint Stock Company ("BASACO").<sup>2</sup> BASACO certified that it is a producer and exporter of the subject merchandise and that it exported, or has sold for export,

subject merchandise to the United States.<sup>3</sup>

Pursuant to section 751(a)(2)(B)(i)(I) of the Act and 19 CFR 351.214(b)(2)(i), BASACO certified that it did not export subject merchandise to the United States during the period of investigation (“POI”).<sup>4</sup> In addition, pursuant to section 751(a)(2)(B)(i)(II) of the Act and 19 CFR 351.214(b)(2)(iii)(A), BASACO certified that, since the initiation of the investigation, it has never been affiliated with any Vietnamese exporter or producer who exported subject merchandise to the United States during the POI, including those respondents not individually examined during the investigation.<sup>5</sup> As required by 19 CFR 351.214(b)(2)(iii)(B), BASACO also certified that its export activities were not controlled by the central government of Vietnam.<sup>6</sup>

In addition to the certifications described above, pursuant to 19 CFR 351.214(b)(2)(iv), BASACO submitted documentation establishing the following: (1) The date on which it first shipped subject merchandise for export to the United States; (2) the volume of its first shipment; and (3) the date of its first sale to an unaffiliated customer in the United States.<sup>7</sup>

Finally, the Department conducted a U.S. Customs and Border Protection (“CBP”) database query and confirmed the price, quantity, date of sale, and date of entry of the sale at issue.<sup>8</sup>

#### Initiation of New Shipper Review

Pursuant to section 751(a)(2)(B) of the Act and 19 CFR 351.214(d)(1), and based on the evidence provided by BASACO, we find that the request submitted by BASACO meets the requirements for initiation of the NSR for shipments of fish fillets from Vietnam produced and exported by BASACO.<sup>9</sup> The POR is August 1, 2013, through July 31, 2014.<sup>10</sup> Absent a determination that the case is extraordinarily complicated, the Department intends to issue the preliminary results of this NSR within

180 days from the date of initiation and the final results within 270 days from the date of initiation.<sup>11</sup>

It is the Department’s usual practice, in cases involving non-market economy countries, to require that a company seeking to establish eligibility for an AD rate separate from the country-wide rate provide evidence of *de jure* and *de facto* absence of government control over the company’s export activities. Accordingly, we will issue a questionnaire to BASACO that will include a section requesting information with regard to BASACO’s export activities for separate rate purposes. The review of BASACO will proceed if the response provides sufficient indication that it is not subject to either *de jure* or *de facto* government control with respect to its exports of fish fillets.

We will instruct CBP to allow, at the option of the importer, the posting, until the completion of the review, of a bond or security in lieu of a cash deposit for each entry of the subject merchandise from the requesting company in accordance with section 751(a)(2)(B)(iii) of the Act and 19 CFR 351.214(e). Because BASACO certified that it both produced and exported the subject merchandise, the sale of which is the basis for the NSR request, we will instruct CBP to permit the use of a bond only for subject merchandise which BASACO both produced and exported.

Interested parties requiring access to proprietary information in this NSR should submit applications for disclosure under administrative protective order, in accordance with 19 CFR 351.305 and 19 CFR 351.306.

This initiation and notice are published in accordance with section 751(a)(2)(B) of the Act, 19 CFR 351.214 and 351.221(c)(1)(i).

Dated: September 24, 2014.
