#### Farm Service Agency

*Title:* Representations for CCC and FSA Loans and Authorization to File a Financing Statement and Related Documents.

*OMB Control Number:* 0560-0215

*Summary of Collection:* Commodity Credit Corporation and the Farm Service Agency (FSA) programs require loans be secured with collateral. The security interest is created and attaches to the collateral when: (1) Value has been given, (2) the debtor has rights in the collateral or the power to transfer rights in the collateral, and (3) the debtor has authenticated a security agreement that provides a description of the collateral. In order to perfect the security interest in collateral, a financing statement must be filed according to a State's Uniform Commercial Code. The revised Article 9 of the Uniform Commercial Code deals with secured transaction for personal property. The revised Article 9 affects the manner in which the CCC and FSA, as well as any other creditor, perfect and liquidate security interests in collateral.

*Need and Use of the Information:* FSA will collect information using form CCC-10. The information obtained on CCC-10 is needed to not only obtain authorization from loan applicants to file a financing statement without their signature, but also to verify the exact legal name and location of the debtor. If this information is not collected, CCC and FSA will not be able to disburse loans because a security interest would not be perfected.

*Description of Respondents:* Farms; individuals or households; business or other for-profit.

*Number of Respondents:* 2,148.

*Frequency of Responses:* Reporting; On occasion.

*Total Burden Hours:* 2,326.
