

notes that the facilitation of clearance of iTraxx Contracts is of particular importance as the CFTC has determined that iTraxx Contracts that are subject to a 5Y or 10Y tenor are subject to mandatory clearing under Section 2(h) of the Commodity Exchange Act (“CEA”).⁷ As such, the proposed changes are designed to promote the prompt and accurate clearance and settlement of securities transactions and, to the extent applicable, derivatives agreements, contracts, and transactions, to assure the safeguarding of securities and funds which are in the custody or control of the clearing agency or for which it is responsible, and, in general, to protect investors and the public interest consistent with Section 17A(b)(3)(F) of the Exchange Act.⁸

B. Self-Regulatory Organization’s Statement on Burden on Competition

CME does not believe that the proposed rule changes would have any impact, or impose any burden, on competition. On the contrary, the clearance of iTraxx Contracts will promote competition since some of CME’s competitors, including ICE Clear Credit LLC, ICE Clear Europe Limited and LCH.Clearnet S.A., already offer clearing of iTraxx Contracts. CME will therefore be able to provide market participants with an expanded choice for clearing iTraxx Contracts.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Amendment Received From Members, Participants, or Others

Written comments relating to the iTraxx Filing Amendment have not been solicited or received. CME will notify the Commission of any written comments received by CME.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 45 days of the date of publication of notice of the iTraxx Filing⁹ in the **Federal Register** or within such longer period up to 90 days (i) as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

- (A) By order approve or disapprove such proposed rule change, or
- (B) institute proceedings to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments on Amendment No. 2

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether Amendment No. 2 is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission’s Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an email to rule-comments@sec.gov. Please include File Number SR–CME–2014–31 on the subject line.

Paper Comments

- Send paper comments in triplicate to Secretary, Securities and Exchange Commission, 100 F Street NE., Washington, DC 20549–1090.

All submissions should refer to File Number SR–CME–2014–31. This file number should be included on the subject line if email is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission’s Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for Web site viewing and printing in the Commission’s Public Reference Room, 100 F Street NE., Washington, DC 20549, on official business days between the hours of 10:00 a.m. and 3:00 p.m. Copies of the filing also will be available for inspection and copying at the principal office of CME and on CME’s Web site at <http://www.cmegroup.com/market-regulation/rule-filings.html>.

All comments received will be posted without change; the Commission does not edit personal identifying information from submissions. You should submit only information that you wish to make available publicly. All submissions should refer to File Number SR–CME–2014–31 and should be submitted on or before October 22, 2014.
