These tracts of public lands meet the disposal criteria consistent with Section 203 of FLPMA and are in conformance with the BLM, Salem District Office, Resource Management Plan and Record of Decision approved May 1995.

These tracts of public lands were created by a survey error made in the mid-1800s, which mislaid the southeastern corner of the Confederated Tribes of the Grand Ronde Reservation inside the original and correct corner. The Grand Ronde Reservation Act of April 28, 1904 was passed to sell the unallotted lands within the Tribe's Reservation. These unallotted lands were sold along the incorrect boundary, leaving a small strip of land running west and north from the incorrect corner that was not purchased and eventually came under the BLM's administration. In the 1990s, this error was discovered and the lands were re-surveyed. This strip became known as the "Thompson Strip". Because of the survey error, several private companies innocently believed they were the owners of record. This resulted in the unauthorized cutting and removal of forest products from these tracts of public lands. These public lands are difficult to access, manage, and are surrounded by private lands.

The proposed tracts of land will be offered for sale at public auction using modified competitive bidding procedures authorized under 43 CFR 2711.3-2. Public lands offered for sale utilizing modified competitive sale bidding procedures when the authorized officer determines it is necessary in order to assure equitable distribution of land among purchasers. Bidding for these tracts will be restricted to the following adjacent landowners: Nestucca Forests, LLC; Hampton Resources, Inc.; and Little John Resources, LLC.

The lands will be offered for sale at public auction beginning at 10:00 a.m. on December 8, 2014, at the address in the **ADDRESSES** section. Sale will be by sealed bid only. All sealed bids must be received by the BLM's Salem District Office prior to 10:00 a.m. on December 8, 2014. Bid envelopes must be marked on the lower left front corner, "Sale OR 68032". Bids for individual tracts must be for not less than the appraised fair market and timber value specified in this notice. Sealed bids must include an amount not less than 10 percent of the total amount bid and shall be by certified check, postal money order, bank draft, or cashier's check made payable to the "Department of the Interior-Bureau of Land Management." The BLM will not accept personal or company checks.

Under modified competitive sale procedures, the sealed bids will be opened and a high bidder will be declared at the sale. Notification by mail will be provided to the high bidder and the other designated bidders. In the case
