### SUPPLEMENTARY INFORMATION:

#### I. Background

This interim rule revises the DFARS to implement changes resulting from the expiration of 10 U.S.C. 2323 on September 30, 2009. Section 2323 of Title 10 was the underlying statutory authority for DoD's Small Disadvantaged Business (SDB) program, including the establishment of a specific goal within the overall 5 percent SDB goal for the award of prime contracts and subcontracts to historically black colleges and universities (HBCUs) and minority institutions (MIs). DoD's fundamental policy to provide the maximum practicable number of contracting opportunities for SDB concerns and, in defense-related research and development, the maximum number of opportunities for HBCUs and MIs, is unchanged by this rule, as demonstrated by the following:

- DoD's annual SDB goal is 5 percent of the total value of all prime contract and subcontract awards for each fiscal year, in keeping with 15(g) of the Small Business Act, Pub. L. 85-536, as amended, (15 U.S.C. 644(g)). DoD has met or exceeded this goal every fiscal year since 2001.
- DoD contracting officers may continue to use incentives to encourage prime contractors to increase subcontracting opportunities with all small business types, including SDBs.
- DoD contracting officers will continue to evaluate the extent of small business participation, including that of SDBs, in solicitations and contracts that require subcontracting plans, as well as the past performance of offerors' achievement of their small business subcontracting goals.
- In addition, section 252 of the National Defense Authorization Act for Fiscal Year (FY) 2010 (codified at 10 U.S.C. 2362) authorized the Secretary of Defense to establish a program to provide assistance to HBCUs and MIs in defense-related research, development, testing, and evaluation activities. This statutory authority is used in support of DoD's annual HBCU/MI Broad Agency Announcement.

#### II. Discussion and Analysis

The following is a summary of the revisions to the DFARS:

- Removal of DFARS 205.207(d) subparagraphs (i) and (ii), which provided guidance for synopsisizing HBCU and MI set-asides, and update the PGI reference in subparagraph (iii).
