Federal Register notice² contained an inadvertent error related to the order in which certain antidumping duty margins were stated; the correct antidumping duty margins in this footnote 11 were reversed. The footnote should read:

This cash deposit rate is based on the combined sales of Thai Union and Pakfood after the companies were collapsed (*i.e.*, sales made during the period April 23, 2012, through January 31, 2013). The rates calculated for Thai Union and Pakfood for the period February 1, 2012, through April 22, 2012, are 2.09 percent and zero percent, respectively. The calculations for the period February 1, 2012, through April 22, 2012, will be used for assessment purposes only, as noted in the “Collapsing of Thai Union and Pakfood” section of the Preliminary Decision Memorandum.

As a result, we now correct the final results of the 2012-2013 administrative review as noted above.

This correction to the final results of administrative review is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Tariff Act of 1930, as amended.

Dated: October 8, 2014.
