SUPPLEMENTARY INFORMATION: The Citizenship and Immigration Services (CIS) Ombudsman was created under section 452 of the Homeland Security Act of 2002 (Public Law 107-296) to: (1) Assist individuals and employers in resolving problems with the U.S. Citizenship and Immigration Services (USCIS); (2) to identify areas in which

individuals and employers have problems in dealing with USCIS; and (3) to the extent possible, propose changes in the administrative practices of USCIS to mitigate problems. This form is used by an applicant who is experiencing problems with USCIS during the processing of an immigration benefit.

The information collected on this form will allow the CIS Ombudsman to identify the problem such as: (1) A case problem which is a request for information about a case that was filed with USCIS ("case problem"); or (2) the identification of a systemic issue that may or may not pertain to an individual case which the individual, attorney or employer is seeking to bring to the attention of the CIS Ombudsman ("trend").

For case problems, the CIS Ombudsman will refer case specific issues to the Customer Assistance Office for USCIS for further research, and review.

For trends received, the CIS Ombudsman notes the systemic issue identified in the correspondence which may or may not be incorporated into future recommendations submitted to the Director of USCIS pursuant to section 452(d)(4) of Public Law 107-296.

The use of this form provides the most efficient means for collecting and processing the required data. The CIS Ombudsman is now employing the use of information technology in collecting and processing information by offering the option for electronic submission of the DHS Form 7001 through the Ombudsman Case Assistance Online System. Per PRA requirements, a fillable PDF version of the form is provided on the Ombudsman's Web site. The PDF form can be completed online, printed out and sent to the Ombudsman's office at the address indicated on the form. It is noted on the form that using the paper method can result in significant processing delays for the Ombudsman's office to provide the requested case assistance. After approval of the changes to form detailed in this supporting statement, the online form will be updated and posted on the Ombudsman's Web site at <http://www.dhs.gov/case-assistance> for electronic online submission of the form.

The assurance of confidentiality provided to the respondents for this information collection is provided by: (a) The CIS Ombudsman statute and mandate as established by Homeland Security Act Section 452; (b) The Privacy Impact Assessment for the Office of the Citizenship & Immigration Services Ombudsman (CISOMB) Virtual

Ombudsman System (March 19, 2010) and the (c) Systems of Records Notice: 9110-9B Department of Homeland Security, Office of the Secretary [Docket No. DHS-2009-0146] Privacy Act of 1974; Department of Homeland Security Citizenship and Immigration Services Ombudsman—001 Online Ombudsman Form DHS-7001 System of Records. The DHS Privacy Office will receive the entire package of documents for this information collection to assure authorization for renewal of the collection.

The CISOMB Form DHS-7001 and the Online Ombudsman Form DHS-7001 system is constructed in compliance with all applicable DHS Privacy Office, DHS CIO, DHS Records Management, and OMB regulations regarding data collection, use, storage, and retrieval. The proposed public use data collection system is therefore intended to be distributed for public use primarily by electronic means with limited paper distribution and processing of paper forms.

The CISOMB Form DHS-7001 (PDF) and the Online Ombudsman Form DHS-7001 (Ombudsman Case Assistance Online System) has been constructed in compliance with regulations and authorities under the purview of the DHS Privacy Office, DHS CIO, DHS Records Management, and OMB regulations regarding data collection, use, sharing, storage, information security and retrieval of information.

In accordance with the Privacy Act of 1974, the Department of Homeland Security is giving notice that it proposes to renew the Department of Homeland Security system of records notice titled, "Department of Homeland Security Citizenship and Immigration Services Ombudsman—001 Online Ombudsman Form DHS-7001 and Ombudsman Case Assistance Online System of Records." This system of records will continue to ensure the efficient and secure processing of information to aid the Citizenship and Immigration Services Ombudsman in providing assistance to individuals, employers, and their representatives in resolving problems with U.S. Citizenship and Immigration Services; identify areas in which individuals, employers, and their representatives have problems working with U.S. Citizenship and Immigration Services; and to the extent possible, propose changes to mitigate problems pursuant to 6 U.S.C. 272. This system will continue to be included in the Department of Homeland Security's inventory of record systems.

The number of response fields has been reduced from 13 to 12 and arranged in a way that streamlines completion, submission and processing of the form.
