SUPPLEMENTARY INFORMATION:**I. Abstract**

BIA is seeking renewal of the approval for the information collection conducted under the numerous laws authorizing BIA to administer program services to Indians, provided that the individual possess a minimum degree of Indian or Alaska Native blood. When applying for program services authorized by these laws, an applicant must provide acceptable documentation to prove that he or she meets the minimum required degree of Indian or Alaska Native blood. Currently, the BIA certifies an individual's degree of Indian or Alaska Native blood if the individual can provide sufficient information to prove his or her identity and prove his or her descent from an Indian ancestor(s) listed on historic documents approved by the Secretary of the Interior that include blood degree information. To obtain the CDIB, the applicant must fill out an application form and provide supporting documents. No changes are being made to the form or the approved burden hours for this information collection.

II. Request for Comments

On July 18, 2014, BIA published a notice announcing the renewal of this information collection and provided a 60-day comment period in the **Federal Register** (79 FR 42032). There were no comments received in response to this notice.

The BIA requests your comments on this collection concerning: (a) The necessity of the information collection for the proper performance of the functions of the agencies, including whether the information will have

practical utility; (b) the accuracy of the agency's estimate of the burden (hours and cost) of the collection of information, including the validity of the methodology and assumptions used; (c) ways we could enhance the quality, utility and clarity of the information to be collected; and (d) ways we could minimize the burden of the collection of the information on the respondents.

Please note that an agency may not sponsor or conduct, and an individual need not respond to, a collection of information unless it displays a valid OMB Control Number.

It is our policy to make all comments available to the public for review at the location listed in the **ADDRESSES** section during the hours of 9:00 a.m. to 5:00 p.m., Eastern Time, Monday through Friday except for legal holidays. Before including your address, phone number, email address or other personally identifiable information in your comment, you should be aware that your entire comment—including your personally identifiable information—may be made publicly available at any time. While you can ask us in your comment to withhold your personally identifying information from public review, we cannot guarantee that we will be able to do so.
