#### SUPPLEMENTARY INFORMATION:

##### General Description of the Program

The MAP allows the Secretary to designate current joint-use or former military airports to receive grants from the Airport Improvement Program (AIP). The Secretary is authorized to designate an airport (other than an airport designated before August 24, 1994) only if:

(1) The airport is a former military installation closed or realigned under the Title 10 U.S.C. Sec. 2687
