n. Anyone may submit comments, a protest, or a motion to intervene in accordance with the requirements of Rules of Practice and Procedure, 18 CFR 385.210, .211, and .214. In determining the appropriate action to take, the Commission will consider all protests or other comments filed, but only those who file a motion to intervene in accordance with the Commission's Rules may become a party to the proceeding. Any comments, protests, or motions to intervene must be received on or before the specified comment date for the particular application.

All filings must (1) bear in all capital letters the title "COMMENTS", "REPLY COMMENTS", "RECOMMENDATIONS," "TERMS AND CONDITIONS," or "PRESCRIPTIONS;" (2) set forth in the heading the name of the applicant and the project number of the application to which the filing responds; (3) furnish the name, address, and telephone number of the person submitting the filing; and (4) otherwise comply with the requirements of 18 CFR 385.2001 through 385.2005. All comments, recommendations, terms and conditions or prescriptions must set forth their evidentiary basis and otherwise comply with the requirements of 18 CFR 4.34(b). Agencies may obtain copies of the application directly from the applicant. Each filing must be accompanied by proof of service on all persons listed on the service list prepared by the Commission in this proceeding, in accordance with 18 CFR 4.34(b), and 385.2010.

n. Public notice of the filing of the initial development application, which has already been given, established the due date for filing competing applications or notices of intent. Under the Commission's regulations, any competing development application must be filed in response to and in compliance with public notice of the

initial development application. No competing applications or notices of intent may be filed in response to this notice.

o. Procedural Schedule:

The application will be processed according to the following revised Hydro Licensing Schedule. Revisions to the schedule may be made as appropriate.

Milestone	Target date
Filing of recommendations, preliminary terms and conditions, and preliminary fishway prescriptions.	December 2014.
Commission issues Draft EIS.	June 2015.
Comments on Draft EIS	August 2015.
Modified Terms and Conditions.	October 2015.
Commission Issues Final EIS.	January 2016.

p. A license applicant must file no later than 60 days following the date of issuance of the notice of acceptance and ready for environmental analysis provided for in 5.22: (1) A copy of the water quality certification; (2) a copy of the request for certification, including proof of the date on which the certifying agency received the request; or (3) evidence of waiver of water quality certification.

Include the following paragraphs for original licenses only:

r. Any qualified applicant desiring to file a competing application must submit to the Commission, on or before the specified intervention deadline date, a competing development application, or a notice of intent to file such an application. Submission of a timely notice of intent allows an interested person to file the competing development application no later than 120 days after the specified intervention deadline date. Applications for preliminary permits will not be accepted in response to this notice.

A notice of intent must specify the exact name, business address, and telephone number of the prospective applicant, and must include an unequivocal statement of intent to submit a development application. A notice of intent must be served on the applicant(s) named in this public notice.

Dated: October 17, 2014.

BILLING CODE 6717-01-P

DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Docket No. CP14-554-000; PF14-2-000]

Florida Southeast Connection, LLC: Notice of Application

Take notice that on September 26, 2014, Florida Southeast Connection, LLC (FSC), 700 Universe Boulevard, Juno Beach, FL 33408, filed an application under section 7(c) of the Natural Gas Act and Parts 157 and 284

of the Commission's regulations requesting authorization to construct, own and operate a new natural gas pipeline system (FSC Project) consisting of approximately 126 miles of pipe, associated valves, piping, and appurtenant facilities, commencing at an interconnection with the proposed Sabal Trail Transmission, LLC (Sabal Trail) pipeline near Intercession City, Florida, and terminating at a delivery point at the Florida Power & Light Company (FPL) Martin Clean Energy Center (Martin), near Indiantown, Florida. FSC will have an initial transportation capacity of 640,000 dekatherms per day.

In addition, FSC requests that the Commission issue to FSC a blanket certificate authorizing FSC to construct, operate, and abandon certain facilities under Part 157, Subpart F of the Commission's regulations, a blanket certificate authorizing FSC to transport natural gas, on an open access and self-implementing basis, under Part 284, Subpart G of the Commission's regulations, and authorizations necessary to charge initial recourse rates for certain services to be rendered by FSC, all as more fully set forth in the application which is on file with the Commission and open for public inspection. The filing may also be viewed on the Web at <http://www.ferc.gov> using the "eLibrary" link. Enter the docket number excluding the last three digits in the docket number field to access the document. For assistance, please contact FERC at *FERCOnlineSupport@ferc.gov* or toll free at (866) 208-3676, or TTY, (202) 502-8659.

Any questions regarding the proposed project should be directed to Robert E. Sharra, Director Business Development, Florida Southeast Connection, LLC, 700 Universe Boulevard, Juno Beach, Florida 33408, or by calling (561) 691-7274 (telephone) or (561) 304-5233 (fax) or email at *robert.sharra@nee.com*.

On October 16, 2013, the Commission staff granted FSC's request to utilize the National Environmental Policy Act (NEPA) Pre-Filing Process and assigned Docket No. PF14-2-000 to staff activities involving the project. Now, as of the filing of this application on September 26, 2014, the NEPA Pre-Filing Process for this project has ended. From this time forward, this proceeding will be conducted in Docket No. CP14-554-000, as noted in the caption of this Notice.

Because the environmental review of the FSC Project must also include both Sabal Trail (currently in the NEPA Pre-Filing Process under Docket No. PF14-1-000) and Transcontinental Gas Pipe
