**SUPPLEMENTARY INFORMATION:**

**1. Background Information**

During the legislative approval process for the CAFTA-DR, the Administration and the Congress reached an understanding on the need to support labor capacity-building efforts linked to recommendations identified in the "White Paper" of the Working Group of the Vice Ministers Responsible for Trade and Labor in the countries of Central America and the Dominican Republic. Appropriations were made available from FY 2005 through 2013 to support labor capacity building efforts in CAFTA-DR countries. For more information, see the full text of the CAFTA-DR at <http://www.ustr.gov/trade-agreements/free-trade-agreements/cafta-dr-dominican-republic-central-america-fta/final-text> and the "White Paper" at [http://www.sice.oas.org/labor/White%20Paper\\_e.pdf](http://www.sice.oas.org/labor/White%20Paper_e.pdf).

In addition, in December 2006, the U.S. Department of Labor (USDOL) published its procedural guidelines for the receipt and review of submissions under U.S. Free Trade Agreements, including the CAFTA-DR (71 FR 76691 Dec. 21, 2006). Subsequently, pursuant to CAFTA-DR Article 16.4.2, in November 2008, the United States and CAFTA-DR partner countries held the first Labor Affairs Council meeting in San Salvador, El Salvador. Since the CAFTA-DR came into force, USDOL's Office of Trade and Labor Affairs (OTLA) has received and accepted three submissions under the labor chapter of the CAFTA-DR. OTLA issued a public report in January 2009 on its review of a submission regarding Guatemala and another in September 2013 regarding the Dominican Republic. Another submission regarding Honduras is currently in the review process with the public report expected in 2014.

Under section 403(a) of the CAFTA-DR Implementation Act, 19 U.S.C. 4111(a), the President must report biennially to the Congress on the progress made by the CAFTA-DR countries in implementing the labor obligations and the labor capacity-building provisions found in the Labor Chapter and in Annex 16.5, and in implementing the recommendations contained in the "White Paper." Section 403(a)(4) requires that the President establish a mechanism to solicit public comments on the matters described in section 403(a)(3)(D) of the CAFTA-DR Implementation Act, 19 U.S.C. 4111(a)(4) (listed below in 2).

By Proclamation, the President delegated the reporting function and the responsibility for soliciting public comments under section 403(a) of the CAFTA-DR Implementation Act, 19 U.S.C. 4111(a), to the Secretary of Labor, in consultation with the USTR. Proclamation No. 8272, 73 FR 38,297 (June 30, 2008). This notice serves to request public comments as required by this section.

**2. The USDOL Is Seeking Comments on the Following Topics as Required Under Section 403(a)(3)(D) of the CAFTA-DR Implementation Act**

a. Capacity-building efforts by the United States government envisaged by Article 16.5 of the CAFTA-DR Labor Chapter and Annex 16.5;

b. Efforts by the United States government to facilitate full implementation of the "White Paper" recommendations; and

c. Efforts made by the CAFTA-DR countries to comply with Article 16.5 of the Labor Chapter and Annex 16.5 and to fully implement the "White Paper" recommendations, including progress made by the CAFTA-DR countries in affording to workers internationally-recognized worker rights through improved capacity.

**Proposed Collection, Comment Request**

**ACTION:** Notice.

**SUMMARY:** The Department of Labor, as part of its continuing effort to reduce paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) [44 U.S.C. 3506(c)(2)(A)]. This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection

requirements on respondents can be properly assessed. The Bureau of Labor Statistics (BLS) is soliciting comments concerning the proposed revision of the “Local Area Unemployment Statistics (LAUS) Program”. A copy of the proposed information collection request (ICR) can be obtained by contacting the individual listed below in the Addresses section of this notice.

**DATES:** Written comments must be submitted to the office listed in the Addresses section of this notice on or before December 29, 2014.

**ADDRESSES:** Send comments to Carol Rowan, BLS Clearance Officer, Division of Management Systems, Bureau of Labor Statistics, Room 4080, 2 Massachusetts Avenue NE., Washington, DC 20212. Written comments also may be transmitted by fax to 202-691-5111 (this is not a toll free number).

**FOR FURTHER INFORMATION CONTACT:** Carol Rowan, BLS Clearance Officer, at 202-691-7628 (this is not a toll free number). (See Addresses section.)

**SUPPLEMENTARY INFORMATION:**

**I. Background**

The BLS has been charged by Congress (29 U.S.C. 1 and 2) with the responsibility of collecting and publishing monthly information on employment, the average wage received, and the hours worked by area and industry. The process for developing residency-based employment and unemployment estimates is a cooperative Federal-State program which uses employment and unemployment inputs available in State Workforce Agencies.

The labor force estimates developed and issued in this program are used for economic analysis and as a tool in the implementation of Federal economic policy in such areas as employment and economic development under the Workforce Investment Act and the Public Works and Economic Development Act, among others.

The estimates also are used in economic analysis by public agencies and private industry, and for State and area funding allocations and eligibility determinations according to legal and administrative requirements. Implementation of current policy and legislative authorities could not be accomplished without collection of the data.

The reports and manual covered by this request are integral parts of the LAUS program insofar as they ensure and measure the timeliness, quality, consistency, and adherence to program directions of the LAUS estimates and related research.

**II. Current Action**

Office of Management and Budget clearance is being sought for a revision of the information collection request that makes up the LAUS program. All aspects of the information collection are conducted electronically. All data are entered directly into BLS-provided systems.

The BLS, as part of its responsibility to develop concepts and methods by which States prepare estimates under the LAUS program, developed a manual for use by the States. The manual explains the conceptual framework for the State and area estimates of employment and unemployment, specifies the procedures to be used,

provides input information, and discusses the theoretical and empirical basis for each procedure. This manual is updated on a regular schedule. The LAUS program will implement a major program redesign in January 2015. The Redesign was announced in the **Federal Register** on September 10, 2014 (79 FR 53787).

**III. Desired Focus of Comments**

The Bureau of Labor Statistics is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information continues to have practical utility.
  - Evaluate the accuracy of the agency’s estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used.
  - Enhance the quality, utility, and clarity of the information to be collected.
  - Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.
