

Domestic Employee Coverage Threshold Amount

Multiplying the 1995 domestic employee coverage threshold (\$1,000) by the ratio of the national average wage index for 2013 (\$44,888.16) to that for 1993 (\$23,132.67) produces \$1,940.47. We then round this amount to \$1,900. Therefore, the domestic employee coverage threshold amount is \$1,900 for 2015.

Election Official and Election Worker Coverage Threshold*General*

The minimum amount an election official and election worker must earn so the earnings are covered under Social Security or Medicare is the election official and election worker coverage threshold. For 2015, this threshold is \$1,600. Section 218(c)(8)(B) of the Act provides the formula for increasing the threshold.

Computation

Under the formula, the election official and election worker coverage threshold for 2015 is equal to the 1999 amount of \$1,000 multiplied by the ratio of the national average wage index for 2013 to that for 1997. If the amount we determine is not a multiple of \$100, it we round it to the nearest multiple of \$100.

Election Worker Coverage Threshold Amount

Multiplying the 1999 election worker coverage threshold amount (\$1,000) by the ratio of the national average wage index for 2013 (\$44,888.16) to that for 1997 (\$27,426.00) produces \$1,636.70. We then round this amount to \$1,600. Therefore, the election worker coverage threshold amount is \$1,600 for 2015.
