[Release No. 34-73426; File No. SR-ODD-2014-01]

Canadian Derivatives Clearing Corporation; Order Approving Accelerated Distribution of an Amended Options Disclosure Document

October 24, 2014.

On October 3, 2014, the Canadian Derivatives Clearing Corporation ("CDCC"), on behalf of the Bourse de Montréal, Inc. ("Bourse de Montréal"), submitted to the Securities and Exchange Commission ("Commission"), pursuant to Rule 9b-1 under the Securities Exchange Act of 1934 ("Act"),¹ five definitive copies of an amended options disclosure document ("ODD") that describes the risks and characteristics of options traded on the Bourse de Montréal.² The CDCC has

¹ 17 CFR 240.9b-1.

² The Commission initially reviewed the ODD in 1984. See Securities Exchange Act Release No. 21365 (October 2, 1984), 49 FR 39400 (October 5, 1984) (File No. SR-ODD-84-1). Since then, the Commission has reviewed several amendments to the ODD. See, e.g., Securities Exchange Act Release Nos. 51124 (February 2, 2005), 70 FR 6740 (February 8, 2005) (File No. SR-ODD-2004-03) (amending the ODD to reflect, among other things, the name change from the S&P/TSE 60 Index to the S&P/TSX 60 Index and to add an Annex to the ODD setting forth the holidays and early closings of the Bourse de Montréal.); 44333 (May 21, 2001), 66 FR 29193 (May 29, 2001) (File No. SR-ODD-00-04) (amending the ODD to reflect, among other things, changes to the structure of the Canadian equity markets and to provide a discussion of Enhanced Capital Marketing); 37569 (August 14, 1996), 61 FR 43281 (August 21, 1996) (File No. SR-ODD-96-01) (amending the ODD to reflect, among other things, the name change from TCO to CDCC); 29033 (April 1, 1991), 56 FR 14407 (April 9, 1991) (File No. SR-ODD-91-1) (amending the ODD to include, among other things, references to Toronto Stock Exchange 35 Composite Index options); 24480 (May 19, 1987), 52 FR 20179 (May 29, 1987) (File No. SR-ODD-87-2) (amending the ODD to include, among other things, a discussion of Government of Canada Treasury Bill Price Index options); 22349 (August 21, 1985), 50 FR 34956 (August 28, 1985) (File No. SR-ODD-85-1) (amending the ODD to include, among other things, a discussion of the risks and uses of stock index and bond options); 51124 (February 1, 2005), 70 FR 6740 (February 8, 2005) (File No. SR-ODD-2004-03) (amending the ODD to include, among other things, the CDCC's new automatic exercise parameters for equity and bond

Rule 9b-1 under the Act provides that an options market must file five preliminary copies of an amended ODD with the Commission at least 30 days prior to the date when definitive copies of the amended ODD are furnished to customers, unless the Commission determines otherwise, having due regard to the adequacy of the information disclosed and the public interest and protection of investors.³

The Commission has reviewed the amended ODD and finds, having due regard to the adequacy of the information disclosed, that it is consistent with the protection of investors and in the public interest to allow the distribution of the amended ODD as of the date of this order.⁴

It is therefore ordered, pursuant to Rule 9b-1 under the Act,⁵ that the distribution of the revised ODD (SR-ODD-2014-01) as of the date of this order, is approved.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

On September 14, 2010, the Commission approved a CBOE proposal to establish a pilot program under which the Exchange is permitted to list P.M.-settled options on broad-based indexes to expire on (a) any Friday of the month, other than the third Friday-of-the-month, and (b) the last trading day of the month.³ Under the terms of the End of Week/End of Month Expirations Pilot Program (“Program”), EOWs and EOMs are permitted on any broad-based index that is eligible for regular options trading. EOWs and EOMs are cash-settled and have European-style exercise. The proposal became effective on a pilot basis for a period of fourteen months that commenced on the next full month after approval was received to establish the Program⁴ and was subsequently extended.⁵ The Program is scheduled to expire on November 3, 2014. The Exchange believes that the Program has been successful and well received by its Trading Permit Holders and the investing public during that the time that it has been in operation. The Exchange hereby proposes to extend the Program until May 3, 2016. This proposal does not request any other changes to the Program.

Pursuant to the order approving the establishment of the Program, two months prior to the conclusion of the pilot period, CBOE is required to submit an annual report to the Commission, which addresses the following areas: Analysis of Volume & Open Interest, Monthly Analysis of EOW & EOM Trading Patterns and Provisional Analysis of Index Price Volatility. The Exchange has submitted, under separate cover, the annual report in connection with the present proposed rule change. Confidential treatment under the Freedom of Information Act is requested regarding the annual report.

³ See Securities Exchange Act Release No. 62911 (September 14, 2010), 75 FR 57539 (September 21, 2010) (order approving SR–CBOE–2009–075).

⁴ *Id.*

⁵ See Securities Exchange Act Release No. 65741 (November 14, 2011), 76 FR 72016 (November 21, 2011) (immediately effective rule change extending the Program through February 14, 2013). See also Securities Exchange Act Release No. 68933 (February 14, 2013), 78 FR 12374 (February 22, 2013) (immediately effective rule change extending the Program through April 14, 2014). See also Securities Exchange Act Release No. 71836 (April 1, 2014), 79 FR 19139 (April 7, 2014) (immediately effective rule change extending the Program through November 3, 2014).

If, in the future, the Exchange proposes an additional extension of the Program, or should the Exchange propose to make the Program permanent (which the Exchange currently intends to do), the Exchange will submit an annual report (addressing the same areas referenced above and consistent with the order approving the establishment of the Program) to the Commission at least two months prior to the expiration date of the Program. The annual report will be provided to the Commission on a confidential basis. Any positions established under the Program will not be impacted by the expiration of the Program.

The Exchange believes there is sufficient investor interest and demand in the Program to warrant its extension. The Exchange believes that the Program has provided investors with additional means of managing their risk exposures and carrying out their investment objectives. Furthermore, the Exchange has not experienced any adverse market effects with respect to the Program.

The Exchange believes that the proposed extension of the Program will not have an adverse impact on capacity.

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Securities Exchange Act of 1934 (the “Act”) and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.⁶ Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)⁷ requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitation transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Additionally, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)⁸ requirement that the rules of an exchange not be designed to permit unfair discrimination between customers, issuers, brokers, or dealers.

In particular, the Exchange believes that the Program has been successful to date and states that it has not encountered any problems with the

⁶ 15 U.S.C. 78f(b).

⁷ 15 U.S.C. 78f(b)(5).

⁸ *Id.*

Program. The proposed rule change allows for an extension of the Program for the benefit of market participants. Additionally, the Exchange believes that there is demand for the expirations offered under the Program and believes that that EOWs and EOMs will continue to provide the investing public and other market participants increased opportunities to better manage their risk exposure.

B. Self-Regulatory Organization's Statement on Burden on Competition

CBOE does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. Specifically, the Exchange believes that, by extending the expiration of the Program, the proposed rule change will allow for further analysis of the Program and a determination of how the Program shall be structured in the future. In doing so, the proposed rule change will also serve to promote regulatory clarity and consistency, thereby reducing burdens on the marketplace and facilitating investor protection.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the proposed rule change does not (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act⁹ and Rule 19b-4(f)(6)(iii) thereunder.¹⁰

The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Commission believes that

waiving the 30-day operative delay is consistent with the protection of investors and the public interest, as it will allow the pilot program to continue uninterrupted, thereby avoiding investor confusion that could result from a temporary interruption in the pilot program. For this reason, the Commission designates the proposed rule change to be operative upon filing.¹¹

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or

To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be

available for Web site viewing and printing in the Commission's Public Reference Room at 100 F Street NE., Washington, DC 20549-1090 on official business days between the hours of 10:00 a.m. and 3:00 p.m. Copies of such filing also will be available for inspection and copying at the principal office of the Exchange.
