In such a case, a different case identifier number will have to be entered as the "File Number" for each separate filing (e.g., "CC-2345" entered as the File Number for the first filing and "CC-2346" entered as the File Number for the second filing and so on, even if the comments or oppositions being filed are identical to the first filing). Multiple case identifier numbers may not be entered as one "File Number."
