DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-5763-N-11]

Implementation of the Privacy Act of 1974, as Amended; Amendment to Existing System of Records—Pay and Leave Records of Employees

AGENCY: Office of the Chief Information Officer.

ACTION: Amendment to System of Records.

SUMMARY: The Department's Office of the Chief Human Capital Officer (OCHCO) is proposing to amend its "Pay and Leave Records of Employees" system of records. The system of records consists of payroll and time and attendance systems for fulfillment of payroll, timekeeping and leave functions. The OCHCO modifies: The authority for and manner in which the Pay and Leave Records of Employees system of records operates; the categories of records in the system, the location and address of the system, the method by which records are retrieved in the system; the retention and disposal

methods made of the records in the system; and adds the purpose(s) for which the records are used in the system. Additionally, as part of this update, OCHCO makes one substantive change to the system of records to authorize the forthcoming transition of HUD's time and attendance system from the Department of Agriculture's National Finance Center (NFC) to the Treasury Department's Bureau of the Fiscal Service (BFS). The routine uses are being updated to include new disclosures of personally identifiable information (PII) to Treasury's BFS and to new contract service providers to bring the system in compliance with the Privacy Act. The Treasury's BFS is a shared service provider that will gain access to payroll data and begin testing time and attendance data for migration of records, and ultimately, hosting of the time and attendance system, while the payroll function remains at NFC. The payroll and leave functions include processing all pay matters/issues (e.g., overtime, holiday pay, compensatory time, compensatory time for travel), distribution of wages, distribution of allotments and deductions to financial and other institutions, some through electronic funds transfer, timekeeper support, to maintain leave balances and provide leave processing services such as restored leave, payroll/personnel action (e.g. promotions and Reduction in Grade personnel actions), receipt amount, and administrative overpayment processing). This amended notice demonstrates the Department's present status of the information contained in the systems and new data sharing practices. Other non-substantive changes to the routine use section and throughout the document are being added to ensure compliance with the Privacy Act, 5 U.S.C. 552a. A more detailed description of the present system is contained in notice "Purpose" caption. This notice supersedes the previous notice published in the **Federal Register** for "HUD-34: Pay and Leave Records of Employees".

DATES: *Effective Date:* The proposed modification will be effective immediately, with the exception of the migration of records to the new Treasury system and the sharing of information to new contractors, which will become effective 30 days after publication of this notice, on December 3, 2014, unless comments are received that would result in a contrary determination.

Comments Due Date: December 3, 2014.

ADDRESSES: Interested persons are invited to submit comments regarding

this notice to the Rules Docket Clerk, Office of the General Counsel, Department of Housing and Urban Development, 451 Seventh Street, SW., Room 10276, Washington, DC 20410-0500.
