[Docket No., AD14–18–000]

Joint Technical Conference on New York Markets & Infrastructure; Second Supplemental Notice of Technical Conference

As announced in notices issued on September 17, 2014 ¹ and October 10, 2014,² the Federal Energy Regulatory Commission (Commission) and the New

York Public Service Commission will hold a joint technical conference on November 5, 2014 from 9:00 a.m. to 4:00 p.m., to discuss issues of mutual interest and concern regarding the installed capacity market and energy infrastructure in New York and review the role of New York’s centralized capacity market in attracting investment and ensuring resource adequacy and reliability. The conference will be held in the New York Institute of Technology Auditorium located at 1871 Broadway, between 61st and 62nd Streets, New York, NY 10023. An agenda identifying panelists for this conference is attached. This conference is free of charge and open to the public.

The technical conference will be transcribed. There will also be a free webcast of the conference. The webcast will allow persons to listen to the technical conference but not participate. There is limited seating available at the conference venue, so those registrants that have a confirmed space will be contacted by email. We encourage all others to take advantage of the free webcast. The webcast is available at the following Web site: <http://bcove.me/n8ovpqq7>. The link will also be made available by navigating to the Calendar of Events at www.ferc.gov and locating the technical conference in the Calendar. A recording of the webcast will be made available after the conference in the same location on the Calendar of Events.

While this conference is not for the purpose of discussing specific cases, we note that the discussions at the conference may address matters at issue in the following Commission proceedings that are either pending or within their rehearing period:

• New York Independent System Operator, Inc	Docket No. ER12–2414
• New York Independent System Operator, Inc	Docket No. ER10–2371
