Any report of a visit, other than an annual visit, must be made pursuant to 10 U.S.C. 6968(f).

The Board, pursuant to 10 U.S.C. 6968(a), shall be constituted annually and shall be composed of no more than 15 members. The Board membership shall include:

a. The Chairman of the Committee on Armed Services of the Senate, or his designee;

b. Three other members of the Senate designated by the Vice President or the President pro tempore of the Senate, two of whom are members of the Committee on Appropriations of the Senate;

In addition, the President shall designate two persons each year to succeed the members whose terms expire that year.

If a Board member dies or resigns, a successor shall be designated for the unexpired portion of the term by the official who designated the member. The DoD, through the Department of the Navy, provides support, as deemed necessary, for the performance of the Board's functions, and ensures compliance with the requirements of FACA, the Government in the Sunshine Act, governing Federal statutes and regulations, and established DoD policies/procedures.

The Secretary of the Navy shall select the Board's Chair from the total membership.

With the exception of travel and per diem for official travel, Board members shall serve without compensation.

The Board, pursuant to 10 U.S.C. 6968(g) and (h), may, upon approval by the Secretary of the Navy, call in advisers for consultation, and these advisers shall, with the exception of

The Department, when necessary and consistent with the Board's mission and DoD policies and procedures, may establish subcommittees, task groups, or working groups to support the Board. Such subcommittees or workgroups shall not work independently of the chartered Board, and shall report all of their recommendations and advice solely to the Board for full deliberation and discussion. Subcommittees, task forces, or working groups have no authority to make decisions and recommendations, verbally or in writing, on behalf of the chartered Board; nor can any subcommittee or its members update or report, verbally or in writing, directly to the DoD or any Federal officers or employees.

All subcommittee members shall be appointed by the Secretary of Defense according to governing DoD policies/procedures even if the member in question is already a Board member. Such individuals shall be appointed to serve as experts and consultants under the authority of 5 U.S.C. 3109, and shall serve as special government employees. Subcommittee members, with the approval of the Secretary of Defense, may serve a term of service on the subcommittee of one-to-four years; however, no member shall serve more than two consecutive terms of service on the Subcommittee, unless authorized by the Secretary of Defense. All subcommittee members appointments must be renewed on an annual basis. With the exception of travel and per diem, subcommittee members shall serve without compensation.

All subcommittees, task forces, or working groups shall operate under the provisions of FACA, the Government in the Sunshine Act, governing Federal statutes and regulations, and governing DoD policies/procedures.

The estimated number of Board meetings is four per year.

The Board's Designated Federal Officer (DFO), pursuant to DoD policy, shall be a full-time or permanent part-time DoD employee, and shall be appointed in accordance with established DoD policies/procedures. In addition, the Board's DFO is required to attend all Board and subcommittee meetings for the entire duration of each and every meeting. However, in the absence of the Board's DFO, a properly approved Alternate DFO, duly

appointed to the Board according to the DoD policies/procedures, shall attend the entire duration of the Board or subcommittee meeting.

The DFO, or the Alternate DFO, shall call all of the Board's and subcommittee's meetings; prepare and approve all meeting agendas; adjourn any meeting when the DFO, or Alternate DFO, determines adjournment to be in the public interest or required by governing regulations or DoD policies/procedures; and chair meetings when directed to do so by the Secretary of the Navy.

Abstract: The Teacher Education Assistance for College and Higher Education (TEACH) Grant program is a non-need-based grant program that provides up to \$4,000 per year to students who are enrolled in an eligible program and who agree to teach in a high-need field, at a low-income elementary or secondary school for at least four years within eight years of completing the program for which the

Teach Grant was awarded. The TEACH Grant program regulations are required to ensure accountability of the program participants, both institutions and student recipients, for proper program administration, to determine eligibility to receive program benefits and to prevent fraud and abuse of program funds. The regulations include both record-keeping and reporting requirements. The record-keeping by the school allows for review of compliance with the regulation during on-site institutional reviews. The Department uses the required reporting to allow for close-out of institutions that are no longer participating or who lose eligibility to participate in the program.
