BILLING CODE 5001-10-P

DEPARTMENT OF DEFENSE

Department of the Army

Advisory Committee on Arlington National Cemetery; Request for Nominations

AGENCY: Department of the Army, DoD.

ACTION: Notice; Request for Nominations.

SUMMARY: The Advisory Committee on Arlington National Cemetery is an independent Federal advisory committee chartered to provide the Secretary of Defense, through the Secretary of the Army, independent advice and recommendations on Arlington National Cemetery, including, but not limited to cemetery administration, the erection of memorials at the cemetery, and master planning for the cemetery. The Secretary of the Army may act on the Committee's advice and recommendations. The Committee is comprised of no more than nine (9) members. Subject to the approval of the Secretary of Defense, the Secretary of the Army appoints no more than seven (7) of these members. The purpose of this notice is to solicit nominations from a wide range of highly qualified persons to be considered for appointment to the Committee. Nominees may be appointed as members of the Committee and its sub-committees for terms of service ranging from one to four years. This notice solicits nominations to fill Committee membership vacancies that may occur through July 20, 2016. Nominees must be preeminent authorities in their respective fields of interest or expertise.

DATES: All nominations must be received at (see **ADDRESSES**) no later than January 31, 2015.

ADDRESSES: Interested persons may submit a resume for consideration by the Department of the Army to the Committee's Designated Federal Officer at the following address: Advisory Committee on Arlington National Cemetery, ATTN: Designated Federal Officer (DFO) (Ms. Yates), Arlington National Cemetery, Arlington, VA 22211.

FOR FURTHER INFORMATION CONTACT: Ms. Renea C. Yates, Designated Federal Officer, by email at renea.c.yates.civ@mail.mil or by telephone 703-614-1248.

SUPPLEMENTARY INFORMATION: The Advisory Committee on Arlington National Cemetery was established pursuant to Title 10, United States Code, Section 4723. The selection, service and appointment of members of the Committee are covered by the Committee Charter, available on the Arlington National Cemetery Web site www.arlingtoncemetery.mil/AboutUs/Charter.aspx. The substance of these provisions of the Charter is as follows:

a. Selection. The Committee Charter provides that the Committee shall be comprised of no more than nine members, all of whom are preeminent authorities in their respective fields of interest or expertise. Of these, no more

than seven members are nominated by the Secretary of the Army.

By direction of the Secretary of the Army, all resumes submitted in response to this notice will be presented to and reviewed by a panel of three senior Army leaders. Potential nominees shall be prioritized after review and consideration of their resumes for: Demonstrated technical/professional expertise; preeminence in a field(s) of interest or expertise; potential contribution to membership balance in terms of the points of view represented and the functions to be performed; potential organizational and financial conflicts of interest; commitment to our Nation's veterans and their families; and published points of view relevant to the objectives of the Committee. The panel will provide the DFO with a prioritized list of potential nominees for consideration by the Executive Director, Army National Military Cemeteries, in making an initial recommendation to the Secretary of the Army. The Executive Director, Army National Military Cemeteries; the Secretary of the Army; and the Secretary of Defense are not limited or bound by the recommendations of the Army senior leader panel. Sources in addition to this **Federal Register** notice may be utilized in the solicitation and selection of nominations.

b. Service. The Secretary of Defense may approve the appointment of a Committee member for a one-to-four year term of service; however, no member, unless authorized by the Secretary of Defense, may serve on the Committee or authorized subcommittee for more than two consecutive terms of service. The Secretary of the Army shall designate the Committee Chair from the total Advisory Committee membership. The Committee meets at the call of the DFO, in consultation with the Committee Chair. It is estimated that the Committee meets four times per year.

c. Appointment. The operations of the Committee and the appointment of members are subject to the Federal Advisory Committee Act (Pub. L. 92-463, as amended) and departmental implementing regulations, including Department of Defense Instruction 5105.04, Department of Defense Federal Advisory Committee Management Program, available at <http://www.dtic.mil/whs/directives/corres/pdf/510504p.pdf>. Appointed members who are not full-time or permanent part-time Federal officers or employees shall be appointed as experts and consultants under the authority of Title 5, United States Code, Section 3109 and shall serve as special government employees. Committee members appointed as

special government employees shall serve without compensation except that travel and per diem expenses associated with official Committee activities are reimbursable.

Additional information about the Committee is available on the Internet at: <http://www.arlingtoncemetry.mil/AboutUs/Advisory.aspx>

Brenda S. Bowen,

Army Federal Register Liaison Officer.

BILLING CODE 3710-08-P

DEPARTMENT OF DEFENSE

Department of the Army; Corps of Engineers

Notice of Intent To Prepare a Draft Environmental Impact Statement (EIS), Initiate the Public Scoping Period and Host Public Scoping Meetings for the Great Lakes and Mississippi River Interbasin Study (“GLMRIS”)—Evaluation of Aquatic Nuisance Species Controls Near Brandon Road Lock and Dam

AGENCY: Department of the Army, U.S. Army Corps of Engineers, DoD.

ACTION: Notice of intent.

SUMMARY: The Chicago District, U.S. Army Corps of Engineers (USACE) announces its intent to (1) prepare a Draft EIS, (2) accept public comments and (3) host public scoping meetings in Lemont, Illinois at Argonne National Laboratories and Chicago, Illinois for GLMRIS—Evaluation of Aquatic Nuisance Species Controls near Brandon Road Lock and Dam (GLMRIS—Brandon Road).

In collaboration with other Federal, State, and local agencies as well as non-governmental entities, USACE is evaluating structural and nonstructural options and technologies near the Brandon Road Lock and Dam site. This effort is an interim response to the GLMRIS authority. The purpose of the GLMRIS—Brandon Road evaluation is to consider a control point to reduce the risk of upstream transfer of ANS, from the Mississippi River (MR) Basin into the Great Lakes (GL) Basin through the Chicago Area Waterway System (CAWS), to the maximum extent possible. The GLMRIS—Brandon Road effort will seek to minimize adverse impacts to waterway users or resources.

DATES: The NEPA scoping period ends on January 16, 2015. The GLMRIS—Brandon Road NEPA Public Scoping meetings are scheduled for December 6, 2014 in Lemont, Illinois at Argonne National Laboratories, and December 9,

2014 in Chicago, Illinois. Please refer to the “Scoping and Public Involvement” section below for information regarding the public scoping meeting and for instructions on how to submit public comments.

FOR FURTHER INFORMATION CONTACT: For further information and/or questions about GLMRIS, please contact USACE, Chicago District, Project Manager, Mr. David Wethington, *by mail:* USACE, Chicago District, 231 S. LaSalle, Suite 1500, Chicago, Illinois 60604, or *by email:* david.m.wethington@usace.army.mil.

For media inquiries, please contact USACE, Chicago District, Public Affairs Officer, Ms. Lynne Whelan, *by mail:* USACE, Chicago District, 231 S. LaSalle, Suite 1500, Chicago, Illinois 60604, *by phone:* 312.846.5330 or *by email:* lynne.e.whelan@usace.army.mil.

SUPPLEMENTARY INFORMATION:

1. *Background.* In January 2014, USACE released the GLMRIS Report, which evaluated the potential range of alternatives to control ANS transfer between the GL and MR basins via the CAWS. In GLMRIS, USACE has interpreted the term “prevent” to mean the reduction of risk to the maximum extent possible, because it may not be technologically feasible to achieve an absolute solution.

The GLMRIS Report identified eight alternatives, six of which were structural alternatives. Three structural alternatives established an ANS control point near Brandon Road Lock and Dam in Joliet, Illinois. The GLMRIS Report identified the Brandon Road control point as a single location that can address upstream transfer of MR ANS through the CAWS.

Based on evaluations presented in the GLMRIS Report and in response to stakeholder input, USACE has been directed by the Assistant Secretary of the Army (Civil Works) to proceed with a formal evaluation of potential ANS controls to be applied near the Brandon Road Lock and Dam, located near Joliet, Illinois. The GLMRIS—Brandon Road effort will evaluate the range of options or technologies available to prevent additional MR ANS transfer through the CAWS into the GL Basin.

This effort will assess the potential of various ANS controls to address the one-way, upstream transfer of ANS through the approach channel and/or lock chamber at Brandon Road Lock and Dam, and seek to minimize any adverse impacts to waterway users or resources.

The Brandon Road Lock and Dam Historic District includes the Brandon Road Lock and Dam and was retroactively listed on the National

Register of Historic Places on March 11, 2004.

GLMRIS will be conducted in accordance with NEPA and with the *Economic and Environmental Principles and Guidelines for Water and Related Land Resource Implementation Studies*, Water Resources Council, March 10, 1983.

2. *Scoping and Public Involvement.* USACE will accept comments related to GLMRIS—Brandon Road until January 16, 2014.

All forms of comments received during the scoping period will be weighted equally. Using input obtained during the scoping period, USACE will refine the scope of GLMRIS to focus on significant issues, as well as eliminate issues that are not significant from further detailed study.

Comments may be submitted in the following ways:

- GLMRIS project Web site: Use the web comment function found at <http://glmris.anl.gov/>.
- NEPA Scoping Meeting: USACE is hosting scoping meetings and asks those who wish to make oral comments in person to register on the GLMRIS project Web site at <http://glmris.anl.gov/>. Each meeting’s on-line registration to speak will be closed at 10 a.m. central time the day of the meeting. Those who do not register to speak via the GLMRIS Web site may register at the meeting. Those registering through the Web site may be given a preference over those that register to make an oral comment at the meeting. Each individual wishing to make oral comments shall be given three (3) minutes, and a stenographer will document oral comments;
 - Mail: Mail written comments to GLMRIS—Brandon Road Scoping, 231 S. LaSalle, Suite 1500, Chicago, Illinois 60604. Comments must be postmarked by January 16, 2014; and
 - Hand Delivery: Comments may be hand-delivered to the Chicago District, USACE office located at 231 S. LaSalle, Suite 1500, Chicago, Illinois 60604 between 8:00 a.m. and 4:30 p.m. Comments must be received by January 16, 2014.

The public meetings will begin with a brief presentation regarding the study followed by an oral comment period. During the meeting, USACE will also collect written comments.

The public meetings are scheduled for the following:

- 1:00 p.m. to 4:00 p.m. on Saturday, December 6, 2014, at Argonne National Laboratory’s Theory and Computing Sciences Building, located at Theory and Computing Sciences Building, Building 240, Argonne National
