

the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),¹⁷ CME Inc. has asked the Commission to waive the five-day pre-filing requirement and the 30-day operative delay so that the proposed rule change may become operative immediately upon filing.¹⁸ The Commission believes that waiver of the 30-day operative delay is appropriate, as CME Inc. has, to date, never performed the functions of a clearing agency with respect to SBSs, and the rule text removed or altered as a result the proposed rule change removes any ambiguity concerning CME Inc.'s ability or desire to perform the functions of a clearing agency with respect to SBSs. Therefore, the Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest and designates the proposed rule change as operative upon filing.¹⁹

At any time within 60 days of the filing of the proposed change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>), or
- Send an email to rule-comments@sec.gov. Please include File No. SR-CME-2014-49 on the subject line.

¹⁷ 17 CFR 240.19b-4(f)(6)(iii).

¹⁸ Rule 19b-4(f)(6)(iii) requires a self-regulatory organization to submit to the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. 17 CFR 240.19b-4(f)(6)(iii). The Commission has waived the five-day pre-filing period in this case.

¹⁹ Solely for purposes of waiving the 30-day operative delay, the Commission has considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-73614; File No. SR-ISE-2014-43]

Self-Regulatory Organizations; International Securities Exchange, LLC; Notice of Designation of Longer Period for Commission Action on Proposed Rule Change Amending Its Information Barrier Rules

November 17, 2014.

On September 15, 2014, International Securities Exchange, LLC (the "Exchange") filed with the Securities and Exchange Commission ("Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule change amending its information barrier rules. The proposed rule change was published for comment in the **Federal Register** on October 6, 2014.³ The Commission received one comment letter⁴ on the proposed rule change and one rebuttal letter from the Exchange.⁵

Section 19(b)(2) of the Act⁶ provides that within 45 days of the publication of notice of the filing of a proposed rule change, or within such longer period up to 90 days as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or as to which the self-regulatory organization consents, the Commission shall either approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether these proposed rule changes should be disapproved. The 45th day for this filing is November 20, 2014.

The Commission is extending the 45-day time period for Commission action on the proposed rule change. The Commission finds that it is appropriate to designate a longer period within which to take action on the proposed rule change so that it has sufficient time to review the comment letter submitted in response to the Notice, to review the Exchange's response to such comment letter, and to consider and take action on the Exchange's proposed rule change.
