

- An agreement among bidders not to bid for a particular LA;
- An agreement among bidders not to bid against each other; and
- Other agreements among bidders that have the effect of limiting the final auction price.

Pursuant to 43 U.S.C. 1337(c), BOEM will decline to award a lease if it is determined by the Attorney General in consultation with the Federal Trade Commission that doing so would be inconsistent with the antitrust laws.

For more information on whether specific communications or agreements could constitute a violation of Federal antitrust law, please see: <http://www.justice.gov/atr/public/business-resources.html>, or consult counsel.

Bidder's Financial Form Self-Certification: Each bidder is required to sign the self-certification, in accordance with 18 U.S.C. 1001 (Fraud and False Statements) in the BFF, which can be found on BOEM's Web site: <http://www.boem.gov/State-Activities-Massachusetts/>. The form must be filled out and returned to BOEM in accordance with the "Deadlines and Milestones for Bidders" section of this notice.

Non-Procurement Debarment and Suspension Regulations

Pursuant to regulations at 43 CFR part 42, subpart C, an OCS renewable energy lessee must comply with the Department of the Interior's non-procurement debarment and suspension regulations at 2 CFR 180 and 1400 and agree to communicate the requirement to comply with these regulations to persons with whom the lessee does business as it relates to this lease, by including this term as a condition in their contracts and other transactions.

Force Majeure: The Program Manager of BOEM's Office of Renewable Energy Programs has the discretion to change any auction details, such as the date and time, specified in the FSN in case of a *force majeure* event that the Program Manager deems may interfere with a fair and proper lease sale process. Such events may include, but are not limited to: natural disasters (*e.g.*, earthquakes, hurricanes, floods), wars, riots, acts of terrorism, fire, strikes, civil disorder or other events of a similar nature. In case of such events, bidders should call 703-787-1320 or access the BOEM Web site at: <http://www.boem.gov/Renewable-Energy-Program/index.aspx>.

Appeals: The appeals procedures are provided in BOEM's regulations at 30 CFR 585.225 and 585.118(c). Pursuant to 30 CFR 585.225:

(a) If BOEM rejects your bid, BOEM will provide a written statement of the

reasons, and refund any money deposited with your bid, without interest.

(b) You will then be able to ask the BOEM Director for reconsideration, in writing, within 15 business days of bid rejection, under 30 CFR 585.118(c)(1). We will send you a written response either affirming or reversing the rejection.

The procedures for appealing final decisions with respect to lease sales are described in 30 CFR 585.118(c).

Protection of Privileged or Confidential Information

BOEM will protect privileged or confidential information that you submit as required by the Freedom of Information Act (FOIA). Exemption 4 of FOIA applies to trade secrets and commercial or financial information that you submit that is privileged or confidential. If you wish to protect the confidentiality of such information, clearly mark it and request that BOEM treat it as confidential. BOEM will not disclose such information, except as required by FOIA. Please label privileged or confidential information "Contains Confidential Information" and consider submitting such information as a separate attachment.

However, BOEM will not treat as confidential any aggregate summaries of such information or comments not containing such information. Additionally, BOEM may not treat as confidential the legal title of the commenting entity (*e.g.*, the name of your company). Information that is not labeled as privileged or confidential will be regarded by BOEM as suitable for public release.

BILLING CODE 4310-MR-P

DEPARTMENT OF JUSTICE

Notice of Lodging of a Proposed Amended Consent Decree Under the Clean Water Act

On November 19, 2014, the Department of Justice lodged a proposed Amended Consent Decree with the United States District Court for the Western District of Missouri in the lawsuit entitled *United States v. The City of Kansas City, Missouri*, Civil Action No. 4:10-cv-0497-GAF, proposing to modify the implementation schedule for certain injunctive measures required under the original Consent Decree entered in this matter on September 27, 2010, resolving Kansas City's alleged violations of the Clean Water Act ("CWA" or "Act").

The Consent Decree ("CD") requires, among other measures intended to reduce or eliminate sewage overflows from Kansas City's sewer system, that Kansas City ("KC") build 68 million gallons of additional storage tank capacity at the City's 87th Street Pumping Station in two phases: Phase I (20 MM gallons) is due to be completed in 2016; Phase II (remaining 48 MM gallons) is due to be completed in 2024. The proposed Amendment would allow the City to defer the Phase I construction so that completion of both
