The U.S. Consumer Product Safety  
Commission has determined  
preliminarily that there may be an  
unreasonable risk of injury and death  
associated with ROVs. On November 19,  
2014, the Commission issued an NPR to  
address the risk of injury posed by  
ROVs. (79 FR 68964). The NPR proposes  
a rule that includes:

(1) Lateral stability and vehicle  
handling requirements that specify a  
minimum level of rollover resistance for  
ROVs and require that ROVs exhibit  
sublimit understeer characteristics;

(2) lateral stability information  
requirements in the form of a hangtag;  
and

(3) occupant retention requirements  
that would limit the maximum speed of  
an ROV to no more than 15 miles per  
hour (mph), unless the seat belts of both  
the driver and front passengers, if any,  
are fastened, and would require ROVs to  
have a passive means, such as a barrier  
or structure, to limit further the ejection  
of a belted occupant in the event of a  
rollover.

These requirements would be issued  
under the Consumer Product Safety Act  
(CPSA). The NPR and staff's briefing  
package are available on the  
Commission's Web site at: [http://  
www.cpsc.gov/Newsroom/FOIA/  
Commission-Briefing-Packages/2014/](http://www.cpsc.gov/Newsroom/FOIA/Commission-Briefing-Packages/2014/).

**B. The Public Meeting**

The CPSA requires that the  
Commission provide an opportunity for  
the “oral presentation of data, views, or  
arguments,” in addition to written  
comments, when the Commission  
develops a consumer product safety  
standard under section 9 of the CPSA.  
15 U.S.C. 2058(d)(2). Thus, the  
Commission is providing this forum for  
oral presentations concerning the  
proposed ROV standard. See the  
information under the headings **DATES**  
and **ADDRESSES** at the beginning of this  
notice for information on making  
requests to give oral presentations at the  
meeting and submission of written text  
in advance. Those who wish to make  
oral presentations must comply with the  
procedures described in this notice.

Participants should limit their  
presentations to approximately 10  
minutes, exclusive of any periods of  
questioning by the Commissioners. To  
prevent duplicative presentations,  
groups will be directed to designate a  
spokesperson. The Commission reserves  
the right to adjust meeting procedures as  
may be necessary, including the right to  
limit the time further for any  
presentation and impose restrictions to  
avoid excessive duplication of  
presentations.
