V. Paperwork Reduction Act

The rule does not contain any information collection requirements that require the approval of the Office of Management and Budget under the Paperwork Reduction Act (44 U.S.C. chapter 35).

Defense Federal Acquisition Regulation Supplement: State Sponsors of Terrorism (DFARS Case 2014-D014)

AGENCY: Defense Acquisition Regulations System, Department of Defense (DoD).

ACTION: Final rule.

SUMMARY: DoD is issuing a final rule amending the Defense Federal Acquisition Regulation Supplement (DFARS) to clarify and relocate text relating to state sponsors of terrorism (as identified by the Department of State), add an explicit representation, and conform the terminology.

DATES: Effective December 11, 2014.

FOR FURTHER INFORMATION CONTACT: Ms. Amy G. Williams, telephone 571-372-6106.

SUPPLEMENTARY INFORMATION:

I. Background

DoD published a proposed rule in the *Federal Register* at 79 FR 45666 on August 5, 2014, to clarify and relocate coverage relating to state sponsors of terrorism (as identified by the Department of State), add an explicit representation, and conform the terminology. No respondents submitted public comments in response to the proposed rule.

This rule is part of DoD's retrospective plan, completed in August 2011, under Executive Order 13563, "Improving Regulation and Regulatory Review." DoD's full plan and updates can be accessed at: <http://www.regulations.gov/#!docketDetail;dt=FR+PR+N+O+SR;rpp=10;po=0;D=DOD-2011-OS-0036>.

II. Discussion and Analysis

No public comments were received. The final rule is the same as the proposed rule, except for minor edits.

III. Executive Orders 12866 and 13563

Executive Orders (E.O.s) 12866 and 13563 direct agencies to assess all costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, distributive impacts, and equity). E.O. 13563 emphasizes the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility. This is not a significant regulatory action and, therefore, was not subject to review under section 6(b) of E.O. 12866, Regulatory Planning and Review, dated September 30, 1993. This rule is not a major rule under 5 U.S.C. 804.

IV. Regulatory Flexibility Act

DoD certifies that this rule will not have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.*,

because this rule will only have an impact on a firm, or a subsidiary of a firm, in which the government of a country that is a state sponsor of terrorism has a significant interest.

The number of domestic entities significantly impacted by this rule will be minimal, if any. For the definition of "small business," the Regulatory Flexibility Act refers to the Small Business Act, which in turn allows the U.S. Small Business Administration (SBA) Administrator to specify detailed definitions or standards (5 U.S.C. 601(3) and 15 U.S.C. 632(a)). The SBA regulations at 13 CFR 121.105 discuss who is a small business: "(a)(1) Except for small agricultural cooperatives, a business concern eligible for assistance from SBA as a small business is a business entity organized for profit, with a place of business located in the United States, and which operates primarily within the United States or which makes a significant contribution to the U.S. economy through payment of taxes or use of American products, materials or labor."

V. Paperwork Reduction Act

The rule contains information collection requirements that require the approval of the Office of Management and Budget under the Paperwork Reduction Act (44 U.S.C chapter 35); however, these changes to the DFARS do not impose additional information collection requirements to the paperwork burden previously approved under OMB Control Number 0704-0187, entitled "Information Collection in Support of the DoD Acquisition Process (Various Miscellaneous Requirements)." This final rule removes provision 252.209-7001, Disclosure of Ownership or Control by the Government of a Terrorist Country, and replaces it with provision 252.225-7050, Disclosure of Ownership or Control by the Government of a Country that is a State Sponsor of Terrorism. The burden in clearance 0704-0187 previously associated with the provision 252.209-7001, which is now associated with provision 252.225-7050, remains unchanged and is estimated at 1 hour, because such disclosure occurs rarely, if ever. 10 U.S.C. prohibits award to a firm or a subsidiary of a firm if the government of country that is a state sponsor of terrorism has a significant interest in the firm or subsidiary, unless the Secretary of Defense grants a waiver.

AGENCY: Defense Acquisition Regulations System, Department of Defense (DoD).

ACTION: Final rule.

SUMMARY: DoD has adopted as final, with minor editorial changes, an interim rule that amended the Defense Federal Acquisition Regulation Supplement (DFARS) to implement a section of the National Defense Authorization Act (NDAA) for Fiscal Year (FY) 2014 that prohibits acquisition of commercial satellite services from certain foreign entities.

DATES: Effective December 11, 2014.

FOR FURTHER INFORMATION CONTACT: Ms. Amy G. Williams, telephone 571–372–6106.

SUPPLEMENTARY INFORMATION:

I. Background

DoD published an interim rule in the **Federal Register** at 79 FR 45662 on August 5, 2014, to implement section 1602 of the NDAA for FY 2014 (Pub. L. 113–66). Section 1602 prohibits award of a contract for commercial satellite services to a foreign entity if the Secretary of Defense reasonably believes that the foreign entity—

- Is an entity in which the government of a covered foreign country has an ownership interest that enables the government to affect satellite operations; or
