This fall, UN Member States will have an opportunity to review the draft WOA, which is expected to comprise 50 chapters (approximately 15 pages each) and a 70-page technical summary; the outline (http://www.un.org/Depts/los/global_reporting/Outline_eng.pdf) illustrates the very wide range of expertise needed for such review. The Department of State invites experts in relevant fields of expertise to participate in the U.S. Government review of the draft WOA. Registration at www.review.globalchange.gov, a Web-based review and comment system, is currently open for experts planning to review the draft WOA. Registered experts will have access to the draft WOA on 20 December 2014 and will have until 5:00 p.m. (EST) 6 February 2015 to submit their review comments using the Web-based review and comment system. Detailed instructions for review and submission of comments are available at www.review.globalchange.gov.

A Review Coordination Team comprising Federal scientists and program managers will develop a consolidated U.S. Government review submission. Only comments received via the Web-based review and comment system within the comment period will be considered by the Review Coordination Team for inclusion in the U.S. Government review submission.

This certification will be published in the **Federal Register**.
