If consensus is reached, all members of the organization or group represented by a negotiator are

bound by the consensus and are prohibited from commenting negatively on the resulting proposed regulations. The Department will not consider any such negative comments on the proposed regulations that are submitted by members of such an organization or group.

Nominations: Nominations should include:

- The name of the nominee, the organization or group the nominee represents, and a description of the interests that the nominee represents.
- Evidence of the nominee's expertise or experience in the topics proposed for negotiations.
- Evidence of support from individuals or groups within the constituency that the nominee will represent.
- The nominee's commitment that he or she will actively participate in good faith in the development of the proposed regulations.
