The actions relate to a proposed highway project, the Illiana Corridor, between Interstate 55 (I-55) in Will County, Illinois on the west, and Interstate 65 (I-65) in Lake County, Indiana on the east. Those Tier Two decisions will be used by Federal agencies in subsequent proceedings, including decisions whether to grant licenses, permits, and approvals for the proposed highway project. Tier Two decisions also may be relied upon by State and local agencies in proceedings on the proposed project.

DATES: By this notice, the FHWA is advising the public of final agency actions subject to 23 U.S.C. 139(l)(1). A claim seeking judicial review of the Tier Two Federal agency actions of the proposed highway project will be barred unless the claim is filed on or before May 21, 2015. If the Federal law that authorizes judicial review of a claim provides a time period of less than 150 days for filing such claim, then that shorter time period still applies.

In addition, the USFWS issued a Conference Opinion for the northern long-eared bat (*Myotis septentrionalis*) which is proposed for federal listing as endangered, and is

incorporated in this Biological Opinion. The document further sets forth proposed conservation recommendations, and mitigation requirements for the sheepsnose mussel, the Eryngium stem borer moth (*Papaipema eryngii*), and the northern long-eared bat.
