SUPPLEMENTARY INFORMATION: This ICR seeks to extend PRA authority for Office of Federal Contract Compliance Programs (OFCCP) construction recordkeeping and reporting requirements. The OFCCP administers three nondiscrimination and equal employment opportunity laws: Executive Order 11246, as amended; Rehabilitation Act of 1973, as amended section 503 (29 U.S.C. 793); and Vietnam Era Veterans' Readjustment Assistance Act of 1974, as amended section 4212 (38 U.S.C. 4212). These authorities prohibit employment discrimination and require covered Federal contractors to take affirmative action to ensure that equal employment opportunities are available regardless of race, sex, color, national origin, religion, or status as an individual with a disability or protected veteran. Recordkeeping and reporting by Federal and Federally assisted construction contractors and subcontractors is necessary to substantiate their

compliance with nondiscrimination and affirmative action contractual obligations.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1250-0001.

OMB authorization for an ICR cannot be for more than three (3) years without renewal, and the current approval for this collection is scheduled to expire on December 31, 2014. The DOL seeks to extend PRA authorization for this information collection for three (3) more years, without any change to existing requirements. The DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on September 2, 2014 (79 FR 52044).
