Information claimed as CBI and other information whose disclosure is restricted by statute is not included in the official public docket or in the electronic public docket. EPA's policy is that copyrighted material, including copyrighted material contained in a public comment, will not be placed in EPA's electronic public docket but will be available only in printed, paper form in the official public docket. Although not all docket materials may be available electronically, you may still access any of the publicly available docket materials through the EPA Docket Center.

*B. How and to whom do I submit comments?*

You may submit comments as provided in the **ADDRESSES** section. Please ensure that your comments are submitted within the specified comment period. Comments received after the close of the comment period will be marked "late." EPA is not required to consider these late comments.

If you submit an electronic comment, EPA recommends that you include your name, mailing address, and an email address or other contact information in the body of your comment and with any disk or CD-ROM you submit. This ensures that you can be identified as the submitter of the comment and allows EPA to contact you in case EPA cannot read your comment due to technical difficulties or needs further information on the substance of your comment. Any identifying or contact information provided in the body of a comment will be included as part of the comment that is placed in the official public docket, and made available in EPA's electronic public docket. If EPA cannot read your comment due to technical difficulties and cannot contact you for clarification, EPA may not be able to consider your comment.

Use of the [www.regulations.gov](http://www.regulations.gov) Web site to submit comments to EPA electronically is EPA's preferred method for receiving comments. The electronic public docket system is an "anonymous access" system, which means EPA will not know your identity, email address, or other contact information unless you provide it in the body of your comment. In contrast to EPA's electronic public docket, EPA's electronic mail (email) system is not an "anonymous access" system. If you send an email comment directly to the Docket without going through [www.regulations.gov](http://www.regulations.gov), your email address is automatically captured and included as part of the comment that is placed in the official public

docket, and made available in EPA's electronic public docket.

**FEDERAL COMMUNICATIONS COMMISSION**

**[MB Docket No. 14-50, DA 14-1809]**

**Congress Extends Television Joint Sales Agreement Compliance Deadline**

**AGENCY:** Federal Communications Commission.

**ACTION:** Notice.

**SUMMARY:** In this Public Notice, the Media Bureau announces that recently enacted legislation has extended the compliance deadline for parties to certain attributable television joint sales agreements (JSAs) to come into compliance with the Commission's broadcast ownership limits.

**DATES:** December 19, 2016.

**FOR FURTHER INFORMATION CONTACT:** For additional information on this proceeding, contact Hillary DeNigro, [Hillary.DeNigro@fcc.gov](mailto:Hillary.DeNigro@fcc.gov), or Benjamin Arden, [Benjamin.Ardens@fcc.gov](mailto:Benjamin.Ardens@fcc.gov), of the Industry Analysis Division, Media Bureau, at (202) 418-2330. Press inquiries should be directed to Janice Wise, (202) 418-8165. TTY: (202) 418-7172 or (888) 835-5322.

**SUPPLEMENTARY INFORMATION:** On April 15, 2014, the Commission released a Report and Order in the 2014 Quadrennial Regulatory Review—Review of the Commission's Broadcast Ownership Rules and Other Rules Adopted Pursuant to section 202 of the Telecommunications Act of 1996. In the Report and Order, the Commission adopted an attribution rule for television JSAs, establishing that same-market television JSAs for more than 15 percent of the weekly advertising time for the brokered station are to be counted toward the brokering station's ownership totals, just as the Commission has long done with respect to radio stations. The Report and Order provided a two-year compliance period—from the effective date of the Report and Order—for parties to same-market JSAs in existence as of the release date whose attribution results in a violation of the broadcast ownership limits to come into compliance with the broadcast ownership rules.

Subsequently, the Media Bureau announced that the effective date of the

Report and Order was June 19, 2014, and the two-year compliance period would end on June 19, 2016.

The STELA Reauthorization Act of 2014 (STELAR) was enacted on December 4, 2014. In STELAR, Congress provided that licensees with attributable television JSAs "shall not be considered to be in violation of the ownership limitations [in section 73.3555 of the Commission's rules, 47 CFR 73.3555,] by reason of the application of the [attribution] rule" until six months after the end of the two-year compliance period adopted by the Commission. The six-month period ends on December 19, 2016.
