

**DEPARTMENT OF TRANSPORTATION****Surface Transportation Board****[Docket No. FD 35885]****Peru Land Acquisition 2, LLC—  
Acquisition Exemption—Rail Line of  
The City of Peru, Ill.**

Peru Land Acquisition 2, LLC (PLA2), a noncarrier, has filed a verified notice of exemption under 49 CFR 1150.31 to acquire from the City of Peru, Ill. (Peru) ownership of approximately 3.5 miles of rail line (the Peru City Track), in Bureau and LaSalle Counties, Ill.

According to PLA2, there are no mileposts associated with the line. The line was formerly owned by LaSalle & Bureau County Railroad Company and was subsequently sold to Peru. The trackage extends from a point of connection with Illinois Railway, LLC (IR), a Class III rail carrier, on its western end, to the end of the line west of Illinois Route 251.

This transaction is related to a concurrently filed verified notice of exemption in Docket No. FD 35886, *Illinois Railway, LLC—Lease and Operation Exemption—Rail Line of Peru Land Acquisition 2, LLC*, wherein IR seeks Board approval to lease and operate the Peru City Track, upon PLA2's becoming a Class III rail carrier.

The transaction may be consummated on or after January 10, 2015 (30 days after the notice of exemption was filed).

PLA2 certifies that its projected annual revenues as a result of this transaction will not result in its becoming a Class II or Class I rail carrier and will not exceed \$5 million.

PLA2 states that the acquisition agreement does not include any provision limiting PLA2's future interchange of traffic on the line with a third-party connecting carrier.

If the verified notice contains false or misleading information, the exemption is void *ab initio*. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the effectiveness of the exemption. Petitions to stay must be filed no later than January 2, 2015 (at least 7 days before the exemption becomes effective).

An original and 10 copies of all pleadings, referring to Docket No. FD 35885, must be filed with the Surface Transportation Board, 395 E Street SW., Washington, DC 20423-0001. In addition, a copy of each pleading must be served on Michael J. Barron, Jr., Fletcher & Sippel LLC, 29 North Wacker Drive, Suite 920, Chicago, IL 60606.

**BILLING CODE 4915-01-P****DEPARTMENT OF TRANSPORTATION****Surface Transportation Board****[Docket No. FD 35887]****Pioneer Railcorp, Pioneer Railroad  
Services, Inc., and Decatur Junction  
Railway Co.—Exemption for  
Transaction Within a Corporate Family**

Pioneer Railcorp (PIONEER), Pioneer Railroad Services, Inc. (PRS), and Decatur Junction Railway Co. (DJR) (collectively, the Applicants) have filed a verified notice of exemption under 49 CFR 1180.2(d)(3) for a corporate family transaction in which: (1) PRS will acquire from DJR a rail line extending between milepost 745.54, at/near Elwin, Ill., and milepost 749.94, in/near Decatur, Ill., a distance of approximately 4.4 miles in Macon County, Ill.; (2) PIONEER will continue in control of PRS when it becomes a Class III rail carrier, upon PRS's acquisition of the line; and (3) pursuant to a lease agreement with PRS, DJR will continue to operate the line.

According to Applicants, PRS and DJR are currently owned by PIONEER, which owns 100% of the common stock of 17 Class III rail carrier subsidiaries. Applicants also state that DJR currently owns the line and that PRS certifies that: (1) Its annual revenues as a result of this transaction will not exceed those that would qualify it as a Class III rail carrier; and (2) annual revenues on the line will not exceed \$5 million. Pursuant to a written agreement that has not yet been executed, Applicants state that PRS will purchase the line from DJR and subsequently leaseback operating rights to DJR, which will continue to operate, maintain, and perform contract and common carrier service on the line. In addition, Applicants state that the agreement will contain no restrictions on interchange.

Unless stayed, the exemption will be effective on January 7, 2015 (30 days after the verified notice was filed).<sup>1</sup>

<sup>1</sup> By letter filed December 8, 2014, Applicants supplemented its notice of exemption. Because Applicants supplemented its verified notice on

Applicants state they propose to consummate the transaction on or about December 31, 2014. But the earliest the transaction may be consummated is after the January 7, 2015 effective date of the exemption.

According to Applicants, the purpose of this proposed transaction is to improve operating and administrative efficiencies within the corporate family.

The line transfer is a transaction within a corporate family exempted from prior review and approval under 49 CFR 1180.2(d)(3). Applicants state that the transaction will not result in adverse changes in service levels, significant operational changes, or a change in the competitive balance with carriers outside the corporate family.

Under 49 U.S.C. 10502(g), the Board may not use its exemption authority to relieve a rail carrier of its statutory obligation to protect the interests of its employees. Section 11326(c), however, does not provide for labor protection for transactions under §§ 11324 and 11325 that involve only Class III rail carriers. Accordingly, the Board may not impose labor protective conditions here, because all of the carriers involved are Class III rail carriers.

If the notice contains false or misleading information, the exemption is void *ab initio*. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the effectiveness of the exemption. Petitions for stay must be filed no later than December 31, 2014 (at least seven days before the exemption becomes effective).

An original and 10 copies of all pleadings, referring to Docket No. FD 35887, must be filed with the Surface Transportation Board, 395 E Street SW., Washington, DC 20423-0001. In addition, one copy of each pleading must be served on the Applicants' representative, Daniel A. LaKemper, Esq., General Counsel, Pioneer Railcorp, 1318 S. Johanson Road, Peoria, Illinois 61607.
