BILLING CODE 4910-13-P

DEPARTMENT OF TRANSPORTATION

Federal Aviation Administration

Membership in the National Parks Overflights Advisory Group Aviation Rulemaking Committee

AGENCY: Federal Aviation Administration, Transportation.

ACTION: Notice.

SUMMARY: The Federal Aviation Administration (FAA) and the National Park Service (NPS) are inviting interested persons to apply to fill two existing openings and one upcoming opening on the National Parks Overflights Advisory Group (NPOAG) Aviation Rulemaking Committee (ARC). The two existing openings represent environmental concerns and the upcoming opening represents Native American interests. Selected members will each serve 3-year terms.

DATES: Persons interested in applying for the NPOAG openings representing environmental concerns or Native American interests need to apply by January 30, 2015.

FOR FURTHER INFORMATION CONTACT: Keith Lusk, Special Programs Staff, Federal Aviation Administration, Western-Pacific Region Headquarters, P.O. Box 92007, Los Angeles, CA 90009-2007, telephone: (310) 725-3808, email: Keith.Lusk@faa.gov.

SUPPLEMENTARY INFORMATION:

Background

The National Parks Air Tour Management Act of 2000 (the Act) was enacted on April 5, 2000, as Public Law 106–181. The Act required the establishment of the advisory group within 1 year after its enactment. The NPOAG was established in March 2001. The advisory group is comprised of a balanced group of representatives of general aviation, commercial air tour operations, environmental concerns, and Native American tribes. The Administrator of the FAA and the Director of NPS (or their designees) serve as ex officio members of the group. Representatives of the Administrator and Director serve alternating 1-year terms as chairman of the advisory group.

In accordance with the Act, the advisory group provides “advice, information, and recommendations to the Administrator and the Director-

(1) On the implementation of this title [the Act] and the amendments made by this title;

(2) On commonly accepted quiet aircraft technology for use in commercial air tour operations over a national park or tribal lands, which will receive preferential treatment in a given air tour management plan;

(3) On other measures that might be taken to accommodate the interests of visitors to national parks; and

(4) At the request of the Administrator and the Director, safety, environmental, and other issues related to commercial air tour operations over a national park or tribal lands.”

Membership

The NPOAG ARC is made up of one member representing general aviation, three members representing the commercial air tour industry, four members representing environmental concerns, and two members representing Native American interests. Current members of the NPOAG ARC are as follows:

The current NPOAG consists of Heidi Williams representing general aviation; Alan Stephen, Mark Francis, and Matthew Zuccaro representing commercial air tour operators; Michael Sutton and Dick Hingson representing environmental interests with two open seats; and Rory Majenty and Martin Begaye representing Native American interests. Mr. Majenty’s 3-year membership expires on April 2, 2015.

Selection

In order to retain balance within the NPOAG ARC, the FAA and NPS are seeking candidates interested in filling

the two current open seats and Mr. Majenty’s soon to be expiring seat. The two open seats to be filled will represent environmental concerns and the one upcoming opening will represent Native American interests. The FAA and NPS invite persons interested in representing environmental concerns or Native American interests on the ARC to contact Mr. Keith Lusk (contact information is written above in **FOR FURTHER INFORMATION CONTACT**). Requests to serve on the ARC must be made to Mr. Lusk in writing and postmarked or emailed on or before January 30, 2015. The request should indicate whether or not you are a member of an association or group related to environmental issues or a Native American tribe or have another affiliation with issues relating to aircraft flights over national parks. The request should also state what expertise you would bring to the NPOAG ARC as related to these issues and concerns. The term of service for NPOAG ARC members is 3 years. Current members may re-apply for another term.

On June 18, 2010, President Obama signed a Presidential Memorandum directing agencies in the Executive Branch not to appoint or re-appoint federally registered lobbyists to advisory committees and other boards and commissions. Therefore, before appointing an applicant to serve on the NPOAG, the FAA and NPS will require the prospective candidate to certify that they are not a federally registered lobbyist.

Issued in Hawthorne, CA on December 16, 2014.

Keith Lusk,

Program Manager, Special Programs Staff, Western-Pacific Region.

DEPARTMENT OF TRANSPORTATION

Federal Highway Administration

[Docket No. FHWA–2014–0039]

ET-Plus Guardrail End Terminal

AGENCY: Federal Highway Administration (FHWA), Department of Transportation (DOT).

ACTION: Notice; Request for Information.

SUMMARY: The purpose of this notice is to request data and information regarding the ET-Plus guardrail end terminal (ET-Plus) manufactured by Trinity Industries, Inc. (Trinity). In 2005, the FHWA determined that ET-Plus guardrail end terminal met the relevant crash test criteria and therefore

was eligible for Federal-aid highway funding. This fall, a jury issued a verdict that Trinity made a false or fraudulent claim to FHWA when it sought the eligibility determination for the ET-Plus. Additionally, a number of parties have raised concerns about the in-service performance of the ET-Plus and the potential variability in the dimensions of installed units of the ET-Plus. As a result, FHWA is undertaking a number of efforts to assess these issues. The FHWA is seeking technical information and data to assist in this work.

DATES: Data and information must be submitted to FHWA on or before February 9, 2015.

ADDRESSES: Mail or hand deliver data and information to the U.S. Department of Transportation, Dockets Management Facility, Room W12–140, 1200 New Jersey Avenue SE., Washington, DC 20590, or fax comments to (202) 493–2251. Alternatively, data or information may be submitted to the Federal eRulemaking portal at <http://www.regulations.gov>. Please note that the Federal eRulemaking portal is unable to receive videos or any document larger than 10MB. If you would like to submit a video or a document that is 10MB or larger, please directly contact one of the individuals identified in this notice. All data and information must include the docket number that appears in the heading of this document. All data and information received will be available for examination and copying at the above address from 9 a.m. to 5 p.m., e.t., Monday through Friday, except Federal holidays. Those desiring notification of receipt of data and information must include a self-addressed, stamped postcard or you may print the acknowledgment page that appears after submitting comments electronically. Anyone is able to search the electronic form of all information in any one of our dockets by the name of the individual submitting the information (or signing the information, if submitted on behalf of an association, business, or labor union). The DOT solicits comments from the public to better inform its activities. The DOT posts these comments, without edit, including any personal information the commenter provides, to www.regulations.gov, as described in the system of records notice (DOT/ALL–14 FDMS), which can be reviewed at www.dot.gov/privacy.

FOR FURTHER INFORMATION CONTACT: Mike Griffith, Office of Safety, 202–366–9469, mike.griffith@dot.gov, Federal Highway Administration, 1200 New Jersey Avenue SE., Washington, DC 20590. For legal questions, please
