International Trade Administration

Aluminum Extrusions From the People's Republic of China: Final Results of Antidumping Duty Administrative Review; 2012-2013

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce ("Department") is conducting an administrative review of the antidumping duty order on aluminum extrusions from the People's Republic of China ("PRC"). The period of review ("POR") is May 1, 2012, through April 30, 2013. These final results cover 52 companies for which an administrative review was initiated, and for which this administrative review was not rescinded in the *Preliminary Results*.¹ For these final results, the Department examined two mandatory respondents and one voluntary respondent for which this review was initiated. The first mandatory respondent is Guangzhou Jangho Curtain Wall System Engineering Co., Ltd. and Jangho Curtain Wall Hong Kong Ltd. (collectively "Jangho"); the second mandatory respondent is a single entity that the Department continues to find is comprised of Guang Ya Aluminum Industrial Co., Ltd. ("Guang Ya"), Foshan Guangcheng Aluminum Co., Ltd. ("Guangcheng"), Kong Ah International Co., Ltd. ("Kong Ah"), and Guang Ya Aluminum Industries (Hong Kong) Ltd. ("Guang Ya HK") (collectively "Guang Ya Group"), Guangdong Zhongya Aluminum Co., Ltd. ("Zhongya"), Zhongya Shaped Aluminum (HK) Holding Ltd. ("Shaped Aluminum"), and Karlton Aluminum Co., Ltd. ("Karlton") (collectively "Zhongya"), and Foshan Nanhai Xinya Aluminum & Stainless Steel Product Co., Ltd. ("Xinya") (collectively "Guang Ya Group/Zhongya/Xinya").

The Department finds for these final results that Jangho and the Guang Ya Group/Zhongya/Xinya entity failed to demonstrate that they were eligible for separate rates and thus are part of the PRC-wide entity. For Kromet International, Inc. ("Kromet"), a voluntary respondent in this review, the

Department finds that Kromet did not make sales of subject merchandise at less than normal value during the POR.

Furthermore, the Department finds that 19 of the companies under review (including Kromet) have established their eligibility for a separate rate. Additionally, we determine that four companies, Hong Kong Gree Electric Appliances Sales Limited ("Gree"), Jiuyuan Co., Ltd. ("Jiuyuan"), Shenzhen Hudson Technology Development Co., Ltd. ("Shenzhen Hudson"), and Skyline Exhibit Systems (Shanghai) Co., Ltd. ("Skyline") had no shipments. The Department finds that the remaining companies under review either failed to establish their eligibility for a separate rate or were not responsive, and, therefore, these companies are part of the PRC-wide entity.
