

proposed rule change so that member organizations could continue to benefit from the pilot program without interruption after December 31, 2014.

The Commission believes that waiver of the 30-day operative delay period is consistent with the protection of investors and the public interest. Specifically, the Commission believes that the proposal would allow the pilot to continue uninterrupted, thereby avoiding any potential investor confusion that could result from the temporary interruption in the pilot program. For these reasons, the Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest, and designates the proposed rule change to be operative on December 31, 2014.<sup>18</sup>

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.<sup>19</sup>

## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-73946; File No. SR-NYSEMKT-2014-109]

### Self-Regulatory Organizations; NYSE MKT, LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Extending the Operation of Its New Market Model Pilot, Until the Earlier of Securities and Exchange Commission Approval To Make Such Pilot Permanent or July 31, 2015

December 24, 2014.

Pursuant to Section 19(b)(1)<sup>1</sup> of the Securities Exchange Act of 1934 (the "Act")<sup>2</sup> and Rule 19b-4 thereunder,<sup>3</sup> notice is hereby given that on December 18, 2014, NYSE MKT LLC (the "Exchange" or "NYSE MKT") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory

organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to extend the operation of its New Market Model Pilot, currently scheduled to expire on December 31, 2014, until the earlier of Securities and Exchange Commission ("Commission") approval to make such pilot permanent or July 31, 2015. The text of the proposed rule change is available on the Exchange's Web site at [www.nyse.com](http://www.nyse.com), at the principal office of the Exchange, and at the Commission's Public Reference Room.

#### II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

##### A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

###### 1. Purpose

The Exchange proposes to extend the operation of its New Market Model Pilot ("NMM Pilot") that was adopted pursuant to its merger with the New York Stock Exchange LLC ("NYSE").<sup>4</sup>

<sup>4</sup>NYSE Euronext acquired The Amex Membership Corporation ("AMC") pursuant to an Agreement and Plan of Merger, dated January 17, 2008 (the "Merger"). In connection with the Merger, the Exchange's predecessor, the American Stock Exchange LLC ("Amex"), a subsidiary of AMC, became a subsidiary of NYSE Euronext called NYSE Alternext US LLC. See Securities Exchange Act Release No. 58673 (September 29, 2008), 73 FR 57707 (October 3, 2008) (SR-NYSE-2008-60 and SR-Amex-2008-62) (approving the Merger); see also Securities Exchange Act Release Nos. 58705 (Oct. 1, 2008), 73 FR 58995 (Oct. 8, 2008) (approving adoption of equities rules based on those of NYSE) and 59022 (Nov. 26, 2008), 73 FR 73683 (Dec. 3, 2008) (amending equity rules to conform to NYSE NMM Pilot rules). Subsequently, NYSE Alternext US LLC was renamed NYSE Amex LLC, which was then renamed NYSE MKT LLC and continues to operate as a national securities exchange registered under Section 6 of the Securities Exchange Act of 1934, as amended (the "Act"). See Securities Exchange Act Release Nos. 59575 (March 13, 2009), 74 FR 11803 (March 19,

<sup>18</sup> For purposes only of waiving the operative delay for this proposal, the Commission has considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

The NMM Pilot was approved to operate until October 1, 2009. The Exchange filed to extend the operation of the Pilot to November 30, 2009, March 30, 2010, September 30, 2010, January 31, 2011, August 1, 2011, January 31, 2012, July 31, 2012, January 31, 2013, July 31, 2013, January 31, 2014, July 31, 2014, and December 31, 2014 respectively.<sup>5</sup> The Exchange now seeks to extend the operation of the NMM Pilot, currently scheduled to expire on December 31, 2014, until the earlier of Commission approval to make such pilot permanent or July 31, 2015.

The Exchange notes that parallel changes are proposed to be made to the rules of NYSE.<sup>6</sup>

#### Background<sup>7</sup>

In December 2008, the Exchange implemented significant changes to its equities market rules, execution technology and the rights and obligations of its equities market participants all of which were designed to improve execution quality on the Exchange. These changes are all elements of the Exchange's enhanced market model that it implemented through the NMM Pilot.

As part of the NMM Pilot, the Exchange eliminated the function of equity specialists on the Exchange creating a new category of market

participant, the Designated Market Maker or DMM.<sup>8</sup> The DMMs, like specialists, have affirmative obligations to make an orderly market, including continuous quoting requirements and obligations to re-enter the market when reaching across to execute against trading interest. Unlike specialists, DMMs have a minimum quoting requirement<sup>9</sup> in their assigned securities and no longer have a negative obligation. DMMs are also no longer agents for public customer orders.<sup>10</sup>

In addition, the Exchange implemented a system change that allowed DMMs to create a schedule of additional non-displayed liquidity at various price points where the DMM is willing to interact with interest and provide price improvement to orders in the Exchange's system. This schedule is known as the DMM Capital Commitment Schedule ("CCS").<sup>11</sup> CCS provides the Display Book<sup>®</sup><sup>12</sup> with the amount of shares that the DMM is willing to trade at price points outside, at and inside the Exchange Best Bid or Best Offer ("BBO"). CCS interest is separate and distinct from other DMM interest in that it serves as the interest of last resort.

The NMM Pilot further modified the logic for allocating executed shares among market participants having trading interest at a price point upon execution of incoming orders. The modified logic rewards displayed orders that establish the Exchange's BBO. During the operation of the NMM Pilot, orders or portions thereof that establish priority<sup>13</sup> retain that priority until the portion of the order that established priority is exhausted. Where no one order has established priority, shares are distributed among all market participants on parity.

The NMM Pilot was originally scheduled to end operation on October 1, 2009, or such earlier time as the Commission may determine to make the rules permanent. The Exchange filed to extend the operation of the Pilot on

several occasions<sup>14</sup> in order to prepare a rule filing seeking permission to make the above described changes permanent. The Exchange is currently still preparing such formal submission but does not expect that filing to be completed and approved by the Commission before December 31, 2014.

#### Proposal To Extend the Operation of the NMM Pilot

The Exchange established the NMM Pilot to provide incentives for quoting, to enhance competition among the existing group of liquidity providers and to add a new competitive market participant. The Exchange believes that the NMM Pilot allows the Exchange to provide its market participants with a trading venue that utilizes an enhanced market structure to encourage the addition of liquidity, facilitate the trading of larger orders more efficiently and operates to reward aggressive liquidity providers. As such, the Exchange believes that the rules governing the NMM Pilot should be made permanent. Through this filing the Exchange seeks to extend the current operation of the NMM Pilot until July 31, 2015, in order to allow the Exchange time to formally submit a filing to the Commission to convert the pilot rules to permanent rules.

The proposed change is not otherwise intended to address any other issues and the Exchange is not aware of any problems that member organizations would have in complying with the proposed change.

#### 2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act,<sup>15</sup> in general, and furthers the objectives of Section 6(b)(5) of the Act,<sup>16</sup> in particular, because it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to, and perfect the mechanisms of, a free and open market and a national market system and, in general, to protect investors and the public interest and because it is not designed to permit unfair discrimination between customers, issuers, brokers, or dealers.

The Exchange believes the proposed rule change is designed to prevent

fraudulent and manipulative acts and practices and to promote just and equitable principles of trade because it seeks to extend a pilot program that has already been approved by the Commission. The Exchange believes the proposed rule change is designed to facilitate transactions in securities and to remove impediments to, and perfect the mechanisms of, a free and open market and a national market system because the NMM Pilot provides its market participants with a trading venue that utilizes an enhanced market structure to encourage the addition of liquidity, facilitate the trading of larger orders more efficiently and operates to reward aggressive liquidity providers. Moreover, requesting an extension of the NMM Pilot will permit adequate time for: (i) The Exchange to prepare and submit a filing to make the rules governing the NMM Pilot permanent; (ii) public notice and comment; and (iii) completion of the 19b-4 approval process. Finally, the Exchange believes that it is subject to significant competitive forces, as described below in the Exchange's statement regarding the burden on competition. For these reasons, the Exchange believes that the proposal is consistent with the Act.

#### *B. Self-Regulatory Organization's Statement on Burden on Competition*

In accordance with Section 6(b)(8) of the Act,<sup>17</sup> the Exchange believes that the proposed rule change would not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange believes that extending the operation of the NMM Pilot will enhance competition among liquidity providers and thereby improve execution quality on the Exchange. The Exchange will continue to monitor the efficacy of the program during the proposed extended pilot period.

Finally, the Exchange notes that it operates in a highly competitive market in which market participants can readily favor competing venues. In such an environment, the Exchange must continually review, and consider adjusting the services it offers and the requirements it imposes to remain competitive with other U.S. equity exchanges. For the reasons described above, the Exchange believes that the proposed rule change reflects this competitive environment.

#### *C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others*

No written comments were solicited or received with respect to the proposed rule change.

#### **III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act<sup>18</sup> and Rule 19b-4(f)(6) thereunder.<sup>19</sup> Because the proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6)(iii) thereunder.

A proposed rule change filed under Rule 19b-4(f)(6)<sup>20</sup> normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),<sup>21</sup> the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative before the pilot's expiration. The Exchange states that an immediate operative date is necessary in order to immediately implement the proposed rule change so that member organizations could continue to benefit from the pilot program without interruption after December 31, 2014.

The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest. Specifically, the Commission believes that the proposal would allow the pilot to continue uninterrupted, thereby avoiding any potential investor confusion that could result from the

temporary interruption in the pilot program. For this reason, the Commission designates the proposed rule change to be operative on December 31, 2014.<sup>22</sup>

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

#### **IV. Solicitation of Comments**

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–73940; File No. SR–EDGX–2014–35]

### Self-Regulatory Organizations; EDGX Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend Rules 2.11, 2.12, 11.11 and 11.14 To Replace References to “Direct Edge ECN LLC d/b/a DE Route” and “DE Route” With “BATS Trading, Inc.”

December 24, 2014.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),<sup>1</sup> and Rule 19b–4 thereunder,<sup>2</sup> notice is hereby given that on December 22, 2014, EDGX Exchange, Inc. (the “Exchange” or “EDGX”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization’s Statement of the Terms of the Substance of the Proposed Rule Change

The Exchange filed a proposed rule change to amend Rules 2.11, 2.12, 11.11 and 11.14 to replace references to “Direct Edge ECN LLC d/b/a DE Route” and “DE Route” with “BATS Trading, Inc.” (“BATS Trading”). The Exchange does not propose to amend the requirements of any of these rules.

The text of the proposed rule change is available at the Exchange’s Web site

at <http://www.directedge.com/>, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

#### II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

##### A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

###### 1. Purpose

Earlier this year, the Exchange and its affiliate, EDGA Exchange, Inc. (“EDGA”) received approval to effect a merger (the “Merger”) of the Exchange’s parent company, Direct Edge Holdings LLC, with BATS Global Markets, Inc., the parent of BATS Exchange, Inc. (“BZX”) and BATS Y-Exchange, Inc. (“BYX”, together with BZX, EDGA and EDGX, the “BGM Affiliated Exchanges” or “BATS Exchange”).<sup>3</sup> As a result, the Exchange amended Rule 2.12 to reflect that BATS Trading, Inc., the affiliated BZX and BYX routing broker dealer, would also act as the inbound router for routing orders from BYX and BZX to the Exchange. In the context of the Merger, the BGM Affiliated Exchanges are working to migrate EDGX and EDGA onto the BATS technology platform, and align certain system functionality, retaining only intended differences between the BGM Affiliated Exchanges. As a result of these efforts, the Exchange proposes to amend Rules 2.11, 2.12, 11.11 and 11.14 to replace references to “Direct Edge ECN LLC d/b/a DE Route” and “DE Route” with “BATS Trading” to reflect that BATS Trading, Inc. will replace DE Route at [sic] the Exchange’s routing broker-dealer upon migration of the Exchange onto the BATS technology platform. Thereafter, BATS Trading will serve as the sole inbound and outbound routing broker-dealer for the Exchange. The Exchange does not propose to

amend the requirements of any of these rules.

#### Rule 2.11, BATS Trading as Outbound Router

Pursuant to Exchange Rule 2.11, the Exchange relies on DE Route to provide outbound routing services from itself to other Trading Centers.<sup>4</sup> The Exchange proposes to amend Rules 2.11 to replace all references to DE Route with BATS Trading, as BATS Trading will replace DE Route as the outbound routing service for the Exchange upon migration of the Exchange onto the BATS technology platform. The Exchange does not propose to amend the requirements of this rule. Therefore, the conditions and limitations set forth in Exchange Rule 2.11 will continue to require that:

- The Exchange will regulate the BATS Trading as a facility (as defined in Section 3(a)(2) of the Act), subject to Section 6 of the Act. The Exchange will file with the Commission proposed rule changes and fees relating to the BATS Trading outbound router function and BATS Trading will be subject to the Exchange’s non-discrimination requirements.
- FINRA will carry out oversight and enforcement responsibilities as the designated examining authority designated by the Commission pursuant to Rule 17d–1 of the Act with the responsibility for examining BATS Trading for compliance with applicable financial responsibility rules.
- A Member’s<sup>5</sup> use of BATS Trading to route orders to another Trading Center will be optional.
- BATS Trading will not engage in any business other than (a) its outbound router function, (b) its inbound router function as described in Rule 2.12, (c) its usage of an error account in accordance with Exchange Rule 2.11(a)(7) and (d) any other activities it may engage in as approved by the Commission.
- The Exchange shall establish and maintain procedures and internal controls reasonably designed to adequately restrict the flow of confidential and proprietary

<sup>4</sup> Rule 600(b)(78) of Regulation NMS, 17 CFR 242.600(b)(78), defines a “Trading Center” as “a national securities exchange or national securities association that operates an SRO trading facility, an alternative trading system, an exchange market maker, an OTC market maker, or any other broker or dealer that executes orders internally by trading as principal or crossing orders as agent.” See also Exchange Rule 2.11(a).

<sup>5</sup> The term “Member” is defined as “any registered broker or dealer, or any person associated with a registered broker or dealer, that has been admitted to membership in the Exchange. A Member will have the status of a “member” of the Exchange as that term is defined in Section 3(a)(3) of the Act.” See Exchange Rule 1.5(n).
