Intent To Rescind Administrative Review, in Part

On April 4, 2014, we received a timely filed no-shipment certification from Changzhou. Because there is no evidence on the record to indicate that this company had entries of subject merchandise during the POR, pursuant to 19 CFR 351.213(d)(3), we intend to rescind the review with respect to Changzhou. A final decision regarding whether to rescind the review of this company will be made in the final results of this review.

Methodology

We have conducted this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we preliminarily find that there is a subsidy, *i.e.*, a government-provided financial contribution that gives rise to a benefit to the recipient, and that the subsidy is specific.³ For a full description of the methodology underlying our conclusions, *see* Preliminary Decision Memorandum.

We were not able to make a preliminary determination concerning the countervailability of certain programs because we require additional

information.⁴ We intend to seek that information prior to our final results and issue a post-preliminary decision reflecting our review and analysis of that information.

Preliminary Results of the Review

In accordance with 19 CFR 351.221(b)(4)(i), we calculated a countervailable subsidy rate for each of the mandatory respondents, Fine Furniture and Lizhong.

For the non-selected respondents, we have followed the Department’s practice, which is to base the subsidy rates on an average of the subsidy rates calculated for those companies selected for individual review, excluding *de minimis* rates or rates based entirely on adverse facts available.⁵ We have preliminarily assigned to the non-selected respondents the simple average of the rates calculated for Fine Furniture and Lizhong. We have used a simple average rather than a weighted average due to inconsistent units of measure in the publicly ranged quantity and value data.

We preliminarily find the countervailable subsidy rates for the producers/exporters under review to be as follows:

Producer/exporter	Net subsidy rate (percent)
Shanghai Lizhong Wood Products Co., Ltd (aka The Lizhong Wood Industry Limited Company of Shanghai); Linyi Youyou Wood Co., Ltd	0.95
Fine Furniture (Shanghai) Limited; Great Wood (Tonghua) Limited; FF Plantation (Shishou) Limited	0.99

Honey From the People's Republic of China: Preliminary Results of Antidumping Duty Administrative Review; 2012-2013

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: In response to requests from interested parties, the Department of Commerce ("Department") is conducting an administrative review of the antidumping duty order on honey from the People's Republic of China ("PRC"). The period of review ("POR") is December 1, 2012, through November 30, 2013. As discussed below, during

the review, because the single mandatory respondent, Kunshan Xinlong Food Co., Ltd. ("Kunshan Xinlong"), did not cooperate, the Department preliminarily determines to treat this company as part of the PRC-wide entity. If these preliminary results are adopted in the final results of review, the Department will instruct U.S. Customs and Border Protection ("CBP") to assess antidumping duties on entries of subject merchandise during the POR.

DATES: *Effective Date:* January 7, 2015.

FOR FURTHER INFORMATION CONTACT: Irene Gorelik, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-6905.

SUPPLEMENTARY INFORMATION:

Background

On February 3, 2014, the Department initiated an administrative review of the antidumping duty *Order*¹ on honey from the PRC.² On February 28, 2014, Petitioners³ withdrew their request for an administrative review for all companies under review except Kunshan Xinlong.⁴

Scope of the Order

The products covered by the *Order* are natural honey, artificial honey containing more than 50 percent natural honey by weight, preparations of natural honey containing more than 50 percent natural honey by weight and flavored honey.

The merchandise subject to the order is currently classifiable under subheadings 0409.00.00, 1702.90.90, 2106.90.99, 0409.00.0010, 0409.00.0035, 0409.00.0005, 0409.00.0045, 0409.00.0056, and 0409.00.0065 of the Harmonized Tariff Schedule of the United States ("HTSUS"). Although the HTSUS subheadings are provided for convenience and customs purposes, the Department's written description of the merchandise under the order is dispositive.⁵

Methodology

The Department conducted this review in accordance with section 751(a)(2) of the Tariff Act of 1930, as amended ("the Act"). In making our findings, we have relied on facts available, and because the single mandatory respondent, Kunshan Xinlong, which we preliminarily are treating as part of the PRC-wide entity, did not act to the best of its ability to respond to the Department's requests for information, we have drawn an adverse inference in selecting from among the facts otherwise available.⁶

For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum, dated concurrently with these results and hereby adopted by this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System ("ACCESS").⁷ ACCESS is available to registered users at <http://access.trade.gov> and to all parties in the Central Records Unit ("CRU"), Room 7046 of the main Department of Commerce building. In addition, parties can obtain a complete version of the Preliminary Decision Memorandum on the Internet at <http://trade.gov/enforcement/frn/index.html>.
