CORPORATION FOR NATIONAL AND COMMUNITY SERVICE

Information Collection; Submission for OMB Review, Comment Request

AGENCY: Corporation for National and Community Service.

ACTION: Notice.

SUMMARY: The Corporation for National and Community Service (CNCS) has submitted a public information collection request (ICR) entitled Social Innovation Fund Progress Report and Performance Measure Module for review and approval in accordance with the Paperwork Reduction Act of 1995, Public Law 104-13, (44 U.S.C. Chapter 35). Copies of this ICR, with applicable supporting documentation, may be obtained by calling the Corporation for National and Community Service, Keisha Kersey, at 202-606-3905 or email to kkersey@cns.gov. Individuals who use a telecommunications device for the deaf (TTY-TDD) may call 1-800-833-3722 between 8:00 a.m. and 8:00 p.m. Eastern Time, Monday through Friday.

ADDRESSES: Comments may be submitted, identified by the title of the information collection activity, to the Office of Information and Regulatory Affairs, Attn: Ms. Sharon Mar, OMB Desk Officer for the Corporation for

National and Community Service, by any of the following two methods within 30 days from the date of publication in the **Federal Register**:

(1) By fax to: 202-395-6974,

Attention: Ms. Sharon Mar, OMB Desk Officer for the Corporation for National and Community Service; or

(2) By email to: smar@omb.eop.gov.

SUPPLEMENTARY INFORMATION: The OMB is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of CNCS, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Propose ways to enhance the quality, utility, and clarity of the information to be collected; and
- Propose ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Comments

A 60-day Notice requesting public comment was published in the **Federal Register** on July 10, 2013. This comment period ended September 9, 2013. We received one comment from the public regarding the potential additional burden of collecting the information quarterly and of collecting performance measures by subgrantees, and that some of the information to be collected was duplicative. We have addressed these comments in the following ways. First, only first year grantees will submit progress reports quarterly. All other grantees will submit reports on a biannual basis. Second, we will not be collecting performance measures by subgrantees and will continue to collect performance measures in aggregate by the intermediary. Finally, grantees will no longer submit performance measures via the project plan in eGrants, but will provide that information in one place in the data supplement, preventing duplication per the concerns of the commenter.

Description: In an attempt to streamline data collection processes and reduce reporting burdens, the Social Innovation Fund is revising the way in

which it collects performance progress information from grantees. These revisions include a revised progress report, a Data Supplement, and a new performance measure module.

Type of Review: New.

Agency: Corporation for National and Community Service.

Title: Social Innovation Fund Progress Report and Performance Measure Module.

OMB Number: TBD.

Agency Number: None.

Affected Public: Social Innovation Fund grantees.

Total Respondents: 27.

Frequency: The information will be collected biannually for existing grantees and quarterly for first year grantees.

Average Time per Response: 3 hours.

Estimated Total Burden Hours: 81.

Total Burden Cost (capital/startup): None.

Total Burden Cost (operating/maintenance): None.

Dated: January 9, 2015.

Melissa Bradley,

Interim Director.

ARLINGTON, VA 22202-5408

DEC 11 2014

Honorable John A. Boehner
Speaker of the House
U.S. House of Representatives
Washington, DC 20515

Dear Mr. Speaker:

Pursuant to the reporting requirements of Section 36(b)(1) of the Arms Export Control Act, as amended, we are forwarding herewith Transmittal No. 14-59, concerning the Department of the Army's proposed Letter(s) of Offer and Acceptance to Greece for defense articles and services estimated to cost \$150 million. After this letter is delivered to your office, we plan to issue a press statement to notify the public of this proposed sale.

You will also find attached a certification as required by Section 620C(d) of the Foreign Assistance Act of 1961, as amended, that this action is consistent with the principles set forth in subsection 620C(b) of that Act as codified in section 2373 of title 22, United States Code.

Sincerely,

A handwritten signature in black ink, appearing to read "J. W. Rixey", written over a circular stamp.

J. W. Rixey
Vice Admiral, USN
Director

3. Sensitivity of Technology
4. Section 620C(d)

**CERTIFICATION PURSUANT TO § 620C(d)
OF THE FOREIGN ASSISTANCE ACT OF 1961, AS AMENDED**

Pursuant to Section 620C(d) of the Foreign Assistance Act of 1961, as amended (the Act), Executive Order 12163 and State Department Delegation of Authority No. 293-2, I hereby certify that the furnishing to Greece of 10 CH-47D helicopters and other defense equipment is consistent with the principles contained in Section 620C(b) of the Act.

This certification will be made part of the notification to Congress under Section 36(b) of the Arms Export Control Act, as amended, regarding the proposed sale of the above-named articles and services and is based on the justification accompanying such notification, of which such justification constitutes a full explanation.

Rose Gottemoeller
Under Secretary of State
for Arms Control and International
Security

POLICY JUSTIFICATION

Greece—CH-47D Chinook Helicopters

The Government of Greece has requested a possible sale of 10 CH-47D Model Chinook Helicopters to include 23 T55-GA-714A Engines (20 installed and 3 spares), 12 AN/AAR-57 Common Missile Warning System (10 installed and 2 spares), 12 AN/ARC-220 High Frequency (HF) Radios, 12 AN/ARC-186 Very High Frequency (VHF) AM/FM Radios, 12 AN/ARC-164 Ultra High Frequency (UHF)-AM, 12 AN/ARN 123 VOR ILS Marker Beacons, 12 AN/ARN-89 or AN/ARN-149 Direction Finder Sets, 12 AN/ASN-128 Doppler/Global Positioning System Navigation Sets, 12 AN/ARC-201D or AN/ARC-201E VHF FM Homing Radios, 12 AN/APX-118 Transponders, 3 AN/APX-118A Transponders, 12 AN/APR-39A(V)1 Radar Signal Detecting Sets, mission equipment, communication and navigation equipment, Maintenance Work Orders/Engineering Change Proposals (MWO/ECPs), aircraft hardware and software support, repair and return, spare and repair parts, publications and technical documentation, support equipment, minor modifications, personnel training and training equipment, U.S. government and contractor technical and engineering support services, and other related elements of logistics and program support. The estimated cost is \$150 million.

This proposed sale of these helicopters and support will contribute to the foreign policy and national security of the United States by helping to improve the security of a NATO ally.

This sale will contribute to both the United States' and Greece's defense and security goal of greater stability in the Balkans and the Levant regions by enhancing a critical helicopter lift capability. Additionally, this sale will facilitate greater interoperability of Greek systems both bilaterally and within NATO. Greece, which already operates CH-47s, will have no difficulty absorbing these helicopters into its armed forces.

The proposed sale of these helicopters and support will not alter the basic military balance in the region.

There is no principal contractor as the systems will be coming from U.S. Army

stock. There are no known offset agreements proposed in connection with this potential sale.

Implementation of this proposed sale will require the assignment of U.S. Government or contractor representatives to Greece at some point in future.

There will be no adverse impact on U.S. defense readiness as a result of this proposed sale.

Transmittal No. 14-59

Notice of Proposed Issuance of Letter of Offer Pursuant to Section 36(b)(1) Of the Arms Export Control Act, as amended

Annex

Item No. vii

(vii) *Sensitivity of Technology:*

1. Identification and security classification of classified equipment, major components, subsystems, software, and technical data (performance, maintenance, operational (R&M, etc), documentation, training devices, and services to be conveyed with the purposed sale are classified up to Secret. The CH-47D is a medium lift aircraft, remanufactured from CH-47A, B, and C aircraft. The avionic system in the CH-47D helicopter consists of the following communications equipment: HF (AN/ARC-220), VHF AM/FM (AN/ARC-186) and UHF-AM (AN/ARC 164). The navigation equipment includes Automatic Direction Finder (AN/ARN-89 or 149), VOR ILS Marker Beacon (AN/ARN 123), Doppler/GPS (AN/ASN 128) Navigation System, and VHF FM Homing (AN/ARC-201D) provided through the FM communications radio. Transponder equipment (AN/APX-118 and AN/APX-118A) consists of an IFF receiver with inputs from the barometric altimeter for altitude encoding. Mission equipment consists of the radar signal detecting set, (AN/APR-39A (V) 1) and the Common Missile Warning System (CMWS) AN/AAR-57.

2. If a technologically advanced adversary were to obtain knowledge of the specific hardware and software elements, the information could be used to develop countermeasures that might reduce weapon system effectiveness or be used in the development of a system with similar advanced capabilities.

3. A determination has been made that the recipient country can provide the same degree of protection for the sensitive technology being released as the U.S. Government. This sale is necessary in furtherance of the US foreign policy and national security objectives outlined in the Policy Justification.

4. All defense articles and services listed in this transmittal have been

authorized for release and export to the Government of Greece.

BILLING CODE 5001-06-P

DEPARTMENT OF DEFENSE

Department of the Army; Corps of Engineers

Proposed Reduction in Hours of Operation at Okeechobee Waterway Ranging From the Atlantic Ocean at Stuart, FL to the Gulf of Mexico at Fort Myers, FL

AGENCY: Department of the Army, U.S. Army Corps of Engineers, DOD.

ACTION: Notice.

SUMMARY: The U.S. Army Corps of Engineers Jacksonville District is seeking comment from the public on a proposal to reduce the lock operating hours on the Okeechobee Waterway.

The new proposed operating hours at each of the five locks are 7 a.m. to 5 p.m., seven days a week. The proposed change would take effect no earlier than April 1, 2015 and would impact the following locks:

- Moore Haven Lock on the west side of Lake Okeechobee
- Ortona Lock near LaBelle
- Port Mayaca Lock on the east side of Lake Okeechobee
- St. Lucie Lock near Stuart
- W.P. Franklin Lock near Fort Myers

The changes are the result of an evaluation of the service levels at each lock as the U.S. Army Corps of Engineers seek methods to gain efficiencies on water transit systems across the nation. The changes will allow the U.S. Army Corps of Engineers to reduce costs while still maintaining operating hours that accommodate 95 percent of the boat traffic passing through the locks.

DATES: Submit written comments concerning this notice by February 13, 2015.

ADDRESSES: Written inquires can be sent to Mr. Carl Williams at U.S. Army Corps of Engineers South Florida Operations Office located at 525 Ridgelawn Road, Clewiston, Fl 33440. Email inquiries can be sent to PublicMail.CESAJ-CC@USACE.Army.mil. Please direct phone calls to 863-983-8101.

FOR FURTHER INFORMATION CONTACT: Mr. Carl Williams at U.S. Army Corps of Engineers South Florida Operations Office located at 525 Ridgelawn Road, Clewiston, Fl 33440.

SUPPLEMENTARY INFORMATION: Canaveral Lock near Port Canaveral will not be
