**SUPPLEMENTARY INFORMATION:** The Citizenship and Immigration Services (CIS) Ombudsman was created under section 452 of the Homeland Security Act of 2002 (Pub. L. 107-296) to: (1) Assist individuals and employers in resolving problems with the U.S. Citizenship and Immigration Services (USCIS); (2) to identify areas in which individuals and employers have problems in dealing with USCIS; and (3) to the extent possible, propose changes in the administrative practices of USCIS to mitigate problems. This form is used by an applicant who is experiencing problems with USCIS during the processing of an immigration benefit.

The information collected on this form will allow the CIS Ombudsman to identify the problem such as: (1) A case problem which is a request for information about a case that was filed

with USCIS ("case problem"); or (2) the identification of a systemic issue that may or may not pertain to an individual case which the individual, attorney or employer is seeking to bring to the attention of the CIS Ombudsman ("trend"). For case problems, the CIS Ombudsman will refer case specific issues to the Customer Assistance Office for USCIS for further research, and review.

For trends received, the CIS Ombudsman notes the systemic issue identified in the correspondence which may or may not be incorporated into future recommendations submitted to the Director of USCIS pursuant to section 452(d)(4) of Public Law 107-296.

The use of this form provides the most efficient means for collecting and processing the required data. The CIS Ombudsman is now employing the use of information technology in collecting and processing information by offering the option for electronic submission of the DHS Form 7001 through the Ombudsman Case Assistance Online System. Per PRA requirements, a fillable PDF version of the form is provided on the Ombudsman's Web site. The PDF form can be completed online, printed out and sent to the Ombudsman's office at the address indicated on the form. It is noted on the form that using the paper method can result in significant processing delays for the Ombudsman's office to provide the requested case assistance. After approval of the changes to form detailed in this supporting statement, the online form will be updated and posted on the Ombudsman's Web site at <http://www.dhs.gov/case-assistance> for electronic online submission of the form.

The assurance of confidentiality provided to the respondents for this information collection is provided by: (a) The CIS Ombudsman statute and mandate as established by Homeland Security Act Section 452; (b) the Privacy Impact Assessment for the Office of the Citizenship & Immigration Services Ombudsman (CISOMB) Virtual Ombudsman System (March 19, 2010) and the (c) Systems of Records Notice: 9110-9B Department of Homeland Security, Office of the Secretary [Docket No. DHS-2009-0146] Privacy Act of 1974; Department of Homeland Security Citizenship and Immigration Services Ombudsman—001 Online Ombudsman Form DHS-7001 System of Records. This system will continue to be included in the Department of Homeland Security's inventory of record systems.

There is no change in the information being collected, however there have been cosmetic changes to the form including punctuation, formatting, sequencing of information, and text changes to make the form more understandable and streamlined for use by respondents.
