DEPARTMENT OF HOMELAND SECURITY

Federal Emergency Management Agency

[Docket ID: FEMA–2014–0032]

Fee Schedule for Processing Requests for Map Changes, for Flood Insurance Study Backup Data, and for National Flood Insurance Program Map and Insurance Products

AGENCY: Federal Emergency Management Agency, DHS.

ACTION: Notice.

SUMMARY: This notice contains the revised fee schedules for processing certain types of requests for changes to National Flood Insurance Program (NFIP) maps, for processing requests for Flood Insurance Study (FIS) technical and administrative support data, and for processing requests for particular NFIP map and insurance products. The changes in the fee schedules will allow FEMA to reduce further the expenses to the NFIP by recovering more fully the costs associated with processing conditional and final map change requests; retrieving, reproducing, and distributing technical and administrative support data related to FIS analyses and mapping; and producing, retrieving, and distributing particular NFIP map and insurance products.

DATES: The revised fee schedules are effective for all requests dated February 20, 2015, or later.

The revised fee schedule for map changes is effective for all requests dated February 20, 2015, or later. The revised fee schedule supersedes the current fee schedule, which was established on January 13, 2010.

The revised fee schedule for requests for FIS backup data also is effective for all requests dated February 20, 2015, or later. The revised fee schedule supersedes the current fee schedule, which was established on January 13, 2010.

The revised fee schedule for requests for particular NFIP map and insurance products, which are available through the FEMA Map Service Center (MSC), is effective for all requests, including but not limited to hardcopy, on-line, and telephone requests received on or after February 20, 2015. The revised fee schedule supersedes the current fee schedule, which was established on January 13, 2010.

The revised fee schedule for requests for Conditional Letters of Map Amendment (CLOMAs), Conditional Letters of Map Revision Based on Fill (CLOMR-Fs), Conditional Letters of Map Revision (CLOMRs), Letters of Map Revision Based on Fill (LORM-Fs), Letters of Map Revision (LORMs), and Letters of Determination Review (LODRs). To develop the revised fee schedule requests for FIS technical and administrative support data, FEMA evaluated the actual costs of reviewing, reproducing, and distributing archived data in seven categories. These categories are discussed in more detail below.

To develop the revised fee schedule requests for particular NFIP map and insurance products, FEMA decided to eliminate fees for digital product downloads and to discontinue its distribution of paper-based products, as well as products on digital media. This decision was based on the re-architecture of the Map Service Center (MSC), which allows for the online downloading of larger datasets. The products covered by this notice are discussed in detail below.

Periodic Evaluations of Fees. A primary component of the fees is the prevailing private-sector rates charged to FEMA for labor and materials. Because these rates and the actual review and processing costs may vary from year to year, FEMA will evaluate the fees periodically and publish revised fee schedules, when needed, as notices in the Federal Register.

Fee Schedule for Requests for Conditional Letters of Map Amendment and Conditional and Final Letters of Map Revision Based on Fill

Based on a review of actual cost data for Fiscal Years 2010, 2011, 2012, and 2013, FEMA established the following review and processing fees, which are to be submitted with all requests:

<table>
<thead>
<tr>
<th>LOMC Type</th>
<th>Proposed fee</th>
<th>Proposed online submission fee</th>
</tr>
</thead>
<tbody>
<tr>
<td>Single-lot/single-structure CLOMA and CLOMR–F</td>
<td>$600</td>
<td>$500</td>
</tr>
<tr>
<td>Single-lot/single-structure LOMR–F</td>
<td>$525</td>
<td>$425</td>
</tr>
</tbody>
</table>

Send comments to Summer King, SAMHSA Reports Clearance Officer, Room 2–1067, One Choke Cherry Road, Rockville, MD 20857 OR email her a copy at summer.king@samhsa.hhs.gov. Written comments should be received by March 23, 2015.

Summer King,

Statistician.

[FR Doc. 2015–00844 Filed 1–20–15; 8:45 am]

BILLING CODE 4162–20–P
Based on a review of actual cost data for Fiscal Years 2010, 2011, 2012, and 2013, FEMA established the following fee schedule for requests for Letters of Determination Review, which is to be submitted with all requests:

<table>
<thead>
<tr>
<th>Product type</th>
<th>Proposed fee</th>
</tr>
</thead>
<tbody>
<tr>
<td>LODR</td>
<td>$80</td>
</tr>
</tbody>
</table>

Note that for digital submissions, the fee for this product has been reduced by $250, since the costs for handling, scanning, and transportation will be lower. The higher costs associated with handling, scanning, and transportation of hardcopy submissions will continue to be recovered.

Fee Schedule for Requests for Conditional Letters of Map Revision

Based on a review of actual cost data for Fiscal Years 2010, 2011, 2012, and 2013, FEMA established the following fee schedule for Conditional Letters of Map Revision:

<table>
<thead>
<tr>
<th>Product type</th>
<th>Proposed fee</th>
</tr>
</thead>
<tbody>
<tr>
<td>CLOMR based on new hydrology, bridge, culvert, channel, or any combination thereof</td>
<td>$6,750</td>
</tr>
</tbody>
</table>

Note that for digital submissions, the fees for these products have been reduced by $100, since the costs for handling, scanning, and transportation will be lower. The higher costs associated with handling, scanning, and transportation of hardcopy submissions will continue to be recovered.

Fee Schedule for Requests for Letters of Determination Review

Based on a review of actual cost data for Fiscal Years 2010, 2011, 2012, and 2013, FEMA established the following fee schedule for Letters of Determination Review, which is to be submitted with all requests:

<table>
<thead>
<tr>
<th>Product type</th>
<th>Proposed fee</th>
</tr>
</thead>
<tbody>
<tr>
<td>LODR</td>
<td>$80</td>
</tr>
</tbody>
</table>

Note that for digital submissions, the fee for this product has been reduced by $250, since the costs for handling, scanning, and transportation will be lower. The higher costs associated with handling, scanning, and transportation of hardcopy submissions will continue to be recovered.

Fee Schedule for Requests for Letters of Map Revision Based on a Levee, Berm, or Other Structural Measure

Based on a review of actual cost data for Fiscal Years 2010, 2011, 2012, and 2013, FEMA established the following fee schedule for Letters of Map Revision Based on a Levee, Berm, or Other Structural Measure:

<table>
<thead>
<tr>
<th>Product type</th>
<th>Proposed fee</th>
</tr>
</thead>
<tbody>
<tr>
<td>CLOMR based on a levee, berm, or other structural measure</td>
<td>$7,250 (plus $60/h)</td>
</tr>
</tbody>
</table>

Note that for digital submissions, the fee for this product has been reduced by $250, since the costs for handling, scanning, and transportation will be lower. The higher costs associated with handling, scanning, and transportation of hardcopy submissions will continue to be recovered.

Fee Schedule for Requests for Letters of Map Revisions

Based on a review of actual cost data for Fiscal Years 2010, 2011, 2012, and 2013, FEMA established the following fee schedule for Letters of Map Revisions:

<table>
<thead>
<tr>
<th>Product type</th>
<th>Proposed fee</th>
</tr>
</thead>
<tbody>
<tr>
<td>LOMR based on a bridge, culvert, channel, hydrology, or combination thereof</td>
<td>$8,250</td>
</tr>
<tr>
<td>LOMR based on as-built information submitted as a follow-up to a CLOMR</td>
<td>$8,250</td>
</tr>
</tbody>
</table>

Note that for digital submissions, the fees for these products have been reduced by $250, since there will be less handling, scanning, and transportation costs on these products. The higher costs associated with handling, scanning, and transportation of hardcopy submissions will continue to be recovered.
 Fees for Final Letters of Map Revision Based on a Levee, Berm, or Other Structural Measure

Based on a review of actual cost data for Fiscal Years 2010, 2011, 2012, and 2013, FEMA has established $9,250 as the initial fee for requests for LOMRs based on levee, berm, or other structural measure. For digital submissions, the fees for this product have been reduced by $250, since the costs for handling, scanning, and transportation will be lower. The higher costs associated with handling, scanning, and transportation of hardcopy submissions will continue to be recovered. FEMA will also continue to recover the remainder of the review and processing costs by invoicing the requester before issuing a determination letter, consistent with current practice. The prevailing private-sector labor rate charged to FEMA ($60 per hour) will continue to be used to calculate the total fees to be submitted to FEMA.

<table>
<thead>
<tr>
<th>LOMC Type</th>
<th>Proposed fee</th>
<th>Proposed online submission fee</th>
</tr>
</thead>
<tbody>
<tr>
<td>LOMR based on a levee, berm, or other structural measure</td>
<td>$9,250 (plus $60/h)</td>
<td>$9,000 (plus $60/h).</td>
</tr>
</tbody>
</table>

Note that for digital submissions, the fee for this product has been reduced by $250, since the costs for handling, scanning, and transportation will be lower. The higher costs associated with handling, scanning, and transportation of hardcopy submissions will continue to be recovered.

 Fees for Conditional and Final Letters of Map Revision Based on Structural Measures on Alluvial Fans

Based on a review of actual cost data for Fiscal Years 2010, 2011, 2012, and 2013, FEMA has established $7,250 as the initial fee for requests for CLOMRs and LOMRs based on structural measures on alluvial fans. For digital submissions, the fees for these products have been reduced by $250, since the costs for handling, scanning, and transportation will be lower. The higher costs associated with handling, scanning, and transportation of hardcopy submissions will continue to be recovered. FEMA will also continue to recover the remainder of the review and processing costs by invoicing the requester before issuing a determination letter, consistent with current practice. The prevailing private-sector labor rate charged to FEMA ($60 per hour) will continue to be used to calculate the total fees to be submitted to FEMA.

<table>
<thead>
<tr>
<th>LOMC Type</th>
<th>Proposed fee</th>
<th>Proposed online submission fee</th>
</tr>
</thead>
<tbody>
<tr>
<td>CLOMR based on structural measures on alluvial fans</td>
<td>$7,250 (plus $60/h)</td>
<td>$7,000 (plus $60/h).</td>
</tr>
<tr>
<td>LOMR based on structural measures on alluvial fans</td>
<td>$7,250 (plus $60/h)</td>
<td>$7,000 (plus $60/h).</td>
</tr>
</tbody>
</table>

Note that for digital submissions the fees have been reduced by $250 for these products since there will be less handling, scanning, and transportation costs on these products. The higher costs associated with handling, scanning, and transportation of hardcopy submissions will continue to be recovered.

 Fees for the Mapping of Physical Map Revisions (PMRs)

Based on a review of actual cost data for Fiscal Years 2010, 2011, 2012, and 2013, FEMA has established $8,250 as the initial fee for requests to process the review of PMRs. Additional fee of $2,500 per panel is required to create the mapping for the PMR. Requesters must submit the review and processing fees shown below with requests for PMRs dated February 20, 2015, or later that are not based on structural measures on alluvial fans.

<table>
<thead>
<tr>
<th>PMR Type</th>
<th>Proposed fee</th>
<th>Proposed online submission fee</th>
</tr>
</thead>
<tbody>
<tr>
<td>PMR based on a bridge, culvert, channel, hydrology, or combination thereof</td>
<td>$8,250 plus $2,500/panel.</td>
<td>$8,000 plus $2,500/panel.</td>
</tr>
</tbody>
</table>

Note that for digital submissions the fees have been reduced by $250 for these products since there will be less handling, scanning, and transportation costs on these products. The higher costs associated with handling, scanning, and transportation of hardcopy submissions will continue to be recovered.

 Fees for Mapping of Physical Map Revisions Based on a Levee, Berm, or Other Structural Measure

Based on a review of actual cost data for Fiscal Years 2010, 2011, 2012, and 2013, FEMA has established $9,250 as the initial fee for requests to process the review of PMRs based on levee, berm, or other structural measure. Additional fee of $2,500 per panel is required to create the mapping for the PMR. For digital submissions, the fees for this product have been reduced by $250, since the costs for handling, scanning, and transportation will be lower. The higher costs associated with handling, scanning, and transportation of hardcopy submissions will continue to be recovered. FEMA will also continue to recover the remainder of the review and processing costs by invoicing the requester before issuing a determination letter, consistent with current practice. The prevailing private-sector labor rate charged to FEMA ($60 per hour) will continue to be used to calculate the total fees to be submitted to FEMA.
### Fee Schedule for Flood Insurance Study Backup Data

Non-exempt requesters of FIS technical and administrative support data must submit the fees shown below with requests dated February 20, 2015, or later. These fees are based on the complete recovery costs to FEMA for retrieving, reproducing, and distributing the data, as well as maintaining the library archives, and for collecting and depositing fees. Based on a review of actual cost data for Fiscal Years 2010, 2011, 2012, and 2013, FEMA has established $7,250 as the initial fee for requests to process the review of PMRs based on structural measures on alluvial fans. Additional fees of $2,500 per panel are required to create the mapping for the PMR. For digital submissions, the fees for these products have been reduced by $250, since the costs for handling, scanning, and transportation will be lower. The higher costs associated with handling, scanning, and transportation of hardcopy submissions will continue to be recovered. FEMA will also continue to recover the remainder of the review and processing costs by invoicing the requester before issuing a determination letter, consistent with current practice. The prevailing private-sector labor rate charged to FEMA ($60 per hour) will continue to be used to calculate the total fees to be submitted to FEMA.

#### Fees for Physical Map Revision Based on Structural Measures on Alluvial Fans

Based on a review of actual cost data for Fiscal Years 2010, 2011, 2012, and 2013, FEMA has established $7,250 as the initial fee for requests to process the review of PMRs based on structural measures on alluvial fans. Additional fees of $2,500 per panel are required to create the mapping for the PMR. For digital submissions, the fees for these products have been reduced by $250, since the costs for handling, scanning, and transportation will be lower. The higher costs associated with handling, scanning, and transportation of hardcopy submissions will continue to be recovered. FEMA will also continue to recover the remainder of the review and processing costs by invoicing the requester before issuing a determination letter, consistent with current practice. The prevailing private-sector labor rate charged to FEMA ($60 per hour) will continue to be used to calculate the total fees to be submitted to FEMA.

#### Note on Digital Submissions

Fees for Digital Submissions have been reduced by $250, since costs for handling, scanning, and transportation of hardcopy submissions will continue to be recovered. FEMA will also continue to recover the remainder of the review and processing costs by invoicing the requester before issuing a determination letter, consistent with current practice. The prevailing private-sector labor rate charged to FEMA ($60 per hour) will continue to be used to calculate the total fees to be submitted to FEMA.

<table>
<thead>
<tr>
<th>PMR Type</th>
<th>Proposed fee</th>
<th>Proposed online submission fee</th>
</tr>
</thead>
<tbody>
<tr>
<td>PMR based on a levee, berm, or other structural measure</td>
<td>$9,250 (plus $60/h) plus $2,500/panel.</td>
<td>$9,000 (plus $60/h) plus $2,500/panel.</td>
</tr>
<tr>
<td>PMR based on structural measures on alluvial fans</td>
<td>$7,250 (plus $60/h) plus $2,500/panel.</td>
<td>$7,000 (plus $60/h) plus $2,500/panel.</td>
</tr>
</tbody>
</table>

**Note:**
- PMRs for levees, berms, or other structural measures are separated. These fees are based on the actual cost data for Fiscal Years 2010, 2011, 2012, and 2013, FEMA has established $9,250 as the initial fee for requests to process the review of PMRs for these structural measures. Additional fees of $2,500 per panel are required to create the mapping for the PMR. For digital submissions, the fees for these products have been reduced by $250, since the costs for handling, scanning, and transportation will be lower. The higher costs associated with handling, scanning, and transportation of hardcopy submissions will continue to be recovered. FEMA will also continue to recover the remainder of the review and processing costs by invoicing the requester before issuing a determination letter, consistent with current practice. The prevailing private-sector labor rate charged to FEMA ($60 per hour) will continue to be used to calculate the total fees to be submitted to FEMA.

- Fees for PMRs based on structural measures on alluvial fans have been reduced by $250, since the costs for handling, scanning, and transportation of hardcopy submissions will continue to be recovered. FEMA will also continue to recover the remainder of the review and processing costs by invoicing the requester before issuing a determination letter, consistent with current practice. The prevailing private-sector labor rate charged to FEMA ($60 per hour) will continue to be used to calculate the total fees to be submitted to FEMA.

- Note that for digital submissions the fees have been reduced by $250 for these products since there will be less handling, scanning, and transportation costs on these products. The higher costs associated with handling, scanning, and transportation of hardcopy submissions will continue to be recovered.

- Mapped participating communities that request data at any time other than during the statutory 90-day appeal period, provided the data are requested for use by the community and not a third-party user; and
- State NFIP Coordinators, provided the data requested are for use by the State NFIP Coordinators and not a third-party user.

FEMA has established seven categories into which requests for FIS backup data are separated. These categories are:

1. **Category 1**—Paper copies, microfiche, or diskettes of hydrologic and hydraulic backup data for current or historical FISs;
2. **Category 2**—Paper or mylar copies of topographic mapping developed during FIS process;
3. **Category 3**—Paper or microfiche of survey notes developed during FIS process;
4. **Category 4**—Paper copies of individual Letters of Map Change (LOMCs);
5. **Category 5**—Paper copies of Preliminary Flood Insurance Rate Map (FIRM) or Flood Boundary and Floodway Map panels;
6. **Category 6**—Computer tapes or CD-ROMs of Digital Line Graph files, Digital FIRM files, or Digital LOMR attachment files; and
7. **Category 7**—Computer diskettes and user’s manuals for FEMA computer programs.

FEMA established a flat non-refundable fee of $300 for non-exempt requesters of FIS technical and administrative support data to initiate a request under Categories 1, 2, and 3 above. This fee covers the costs of 4 hours of research and retrieval. For larger requests that require more than 4 hours of research, additional hours will be charged at $40 per hour. If the data requested are available and the request is not cancelled, the final fee is calculated as a sum of the standard per-product charge plus a per-case surcharge of $93, designed to recover the cost of library maintenance and archiving. The total costs of processing requests in Categories 1, 2, and 3 will vary based on the complexity of the research involved in retrieving the data and the volume and medium of the data to be reproduced and distributed. The initial flat fee will be applied against the total costs to process the request, and FEMA will invoice the requester for the balance plus the per-case surcharge before the data are provided. No data will be provided to a requester until all required fees have been paid.

No initial fee is required to initiate a request for data under Categories 4 through 7. Requesters will be notified by telephone about the availability of the data and the fees associated with the requested data.

As with requests for data under Categories 1, 2, and 3, no data will be provided to requesters until all required fees are paid. A flat user fee for each of these categories of requests, shown below, will continue to be required.

Request Under Category 4 (First Letter) $40
FEMA will deposit all fees collected to the National Flood Insurance Fund, which is the source of funding for providing these services. Authority: 42 U.S.C. 4001 et seq.; Reorganization Plan No. 3 of 1978, 43 FR 41943, 3 CFR. 1978 Comp., p. 329; E.O. 12127, 44 FR 13967, 3 CFR, 1979 Comp., p. 376; 44 CFR part 72; Homeowner Flood Insurance Affordability Act of 2014.

Roy Wright,
Deputy Associate Administrator for Mitigation, Federal Insurance and Mitigation Administration, Department of Homeland Security.

BILLING CODE 9110–12–P

DEPARTMENT OF HOMELAND SECURITY

U.S. Customs and Border Protection

[1651–0006]

Agency Information Collection Activities: Application and Approval to Manipulate, Examine, Sample or Transfer

ACTION: 30-Day notice and request for comments; extension of an existing collection of information.

SUMMARY: U.S. Customs and Border Protection (CBP) of the Department of Homeland Security will be submitting the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act: Application and Approval to Manipulate, Examine, Sample or Transfer Goods (Form 3499). This is a proposed extension of an information collection that was previously approved. CBP is proposing that this information collection be extended with no change to the burden hours or to the information collected. This document is published to obtain comments from the public and affected agencies.

DATES: Written comments should be received on or before February 20, 2015 to be assured of consideration.

ADDRESSES: Interested parties are invited to submit written comments on this proposed information collection to the Office of Information and Regulatory Affairs, Office of Management and Budget. Comments should be addressed to the OMB Desk Officer for Customs and Border Protection, Department of Homeland Security, and sent via electronic mail to oira_submission@omb.eop.gov or faxed to (202) 395–5806.

FOR FURTHER INFORMATION CONTACT: Requests for additional information should be directed to Tracey Denning, U.S. Customs and Border Protection, Regulations and Rulings Office of International Trade, 90 K Street NE., 10th Floor, Washington, DC 20229–1177, at 202–325–0265.

SUPPLEMENTARY INFORMATION: This proposed information collection was previously published in the Federal Register (79 FR 65233) on November 3, 2014, allowing for a 60-day comment period. This notice allows for an additional 30 days for public comments. This process is conducted in accordance with 5 CFR 1320.10. CBP invites the general public and other Federal agencies to comment on proposed and/or continuing information collections pursuant to the Paperwork Reduction Act of 1995 (Pub. L. 104–13; 44 U.S.C. 3507). The comments should address: (a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency’s estimates of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; (d) ways to minimize the burden, including the use of automated collection techniques or the use of other forms of information technology; and (e) the annual costs to respondents or record keepers from the collection of information (total capital/startup costs and operations and maintenance costs). The comments that are submitted will be summarized and included in the CBP request for OMB approval. All comments will become a matter of public record. In this document, CBP is soliciting comments concerning the following information collection:

Title: Application and Approval to Manipulate, Examine, Sample or Transfer Goods.

OMB Number: 1651–0006.
Form Number: Form 3499.
Abstract: CBP Form 3499, “Application and Approval to Manipulate, Examine, Sample or Transfer Goods”, is used as an application to perform various operations on merchandise located at a CBP approved bonded facility. This form is filed by importers, consignees, transferees, or owners of merchandise, and is subject to approval by the port director. The data requested on this
