Foreign-Trade Zones Board

[B–2–2015]

Foreign-Trade Zone 42—Orlando, Florida Application for Reorganization under Alternative Site Framework

An application has been submitted to the Foreign-Trade Zones (FTZ) Board by the Greater Orlando Aviation Authority, grantee of FTZ 42, requesting authority to reorganize the zone under the alternative site framework (ASF) adopted by the FTZ Board (15 CFR 400.2(c)). The ASF is an option for grantees for the establishment or reorganization of zones and can permit significantly greater flexibility in the designation of new subzones or “usage-driven” FTZ sites for operators/users located within a grantee's “service area” in the context of the FTZ Board's standard 2,000-acre activation limit for a zone. The application was submitted

pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a–81u), and the regulations of the Board (15 CFR part 400). It was formally docketed on January 20, 2015.

FTZ 42 was approved by the FTZ Board on September 29, 1978 (Board Order 137, 43 FR 46887, 10/11/78). The current zone includes the following sites: *Site 1* (168 acres)—Orlando International Airport, Orlando; and, *Site 2* (27 acres, expires 6/30/15)—Lincoln International Corporate Park, 8633 Transport Drive, Orlando.

The grantee's proposed service area under the ASF would be Orange County, Florida, as described in the application. If approved, the grantee would be able to serve sites throughout the service area based on companies' needs for FTZ designation. The proposed service area is within and adjacent to the Orlando Customs and Border Protection port of entry.

The applicant is requesting authority to reorganize its existing zone to include
