Title: Information Collections for the Interim Final Rule on Standards to Prevent, Detect, and Respond to Sexual Abuse and Sexual Harassment Involving Unaccompanied Children.

OMB No.: New Collection.

Description: In accordance with section 1101(c) of the Violence Against Women Reauthorization Act of 2013, Public Law 113-4 (VAWA 2013), the Administration for Children and Families (ACF), Office of Refugee Resettlement (ORR) published an interim final rule (IFR) on December 24, 2014 setting forth standards to prevent, detect, and respond to sexual abuse and sexual harassment involving unaccompanied children (UC). The IFR requires care provider facilities to collect, report, and retain information to ensure care provider facilities are properly preventing, detecting, and responding to all incidents of sexual abuse and sexual harassment that occur while a UC is in ORR care and custody. The proposed information collections solicit information to document a care provider facility’s efforts to do so. The proposed information collections associated with this rule include the following:

(1) *Sexual Abuse Significant Incident Report Form:* ORR requires care provider facilities to use this form to report allegations related to sexual abuse and sexual harassment to ORR so that ORR may be able to monitor and track allegations of sexual abuse and sexual harassment as well as ensure proper follow-up. All care provider facility staff, volunteers, and contractors are required to report to ORR and third-parties: any knowledge, suspicion, or information regarding an incident of sexual abuse or sexual harassment; retaliation; staff neglect or violation of responsibilities that may have contributed to an incident or retaliation; and allegations of sexual abuse or sexual harassment that occurred while the UC was at another care provider facility.

(2) *Assessment of Risk Form:* ORR requires care provider facilities to use this form to assess a UC’s risk of being sexually abused or harassed or being sexually abusive or harassing other UC while in ORR care and custody. Care provider facilities will use this information to inform a UC’s service
