Food and Nutrition Service

Title: Waivers Under Section 6(o) of the Food and Nutrition Act.

OMB Control Number: 0584–0479.

Summary of Collection: This is a renewal of an existing information collection. Section 824 of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104–193 (PRWORA) establishes a time limit for the receipt of Supplemental Nutrition Assistance Program (SNAP) benefits for certain able-bodied adults who are not working. The provision authorizes the Secretary of Agriculture, upon a State agency's request, to waive the provision for any group of individuals if the Secretary determines "that the areas in which the individuals reside has an unemployment rate of over 10 percent or does not have a sufficient number of jobs to provide employment for the individuals."

Need and Use of the Information: The Food and Nutrition Service uses the information provided by State SNAP agencies to evaluate whether the statutory requirements for a waiver of the SNAP time limit have been met and to determine specifically whether the designated areas' unemployment rate is over ten percent or if there is a lack of sufficient jobs available. If the information is not collected, the State SNAP agencies could not obtain waivers of time limits contained in Section 6(o) of the Act.
