Federal Transit Administration

[Docket FTA-2015-0001]

Notice of Establishment of Emergency Relief Docket for Calendar Year 2015

AGENCY: Federal Transit Administration (FTA), DOT.

ACTION: Notice.

SUMMARY: By this notice, the Federal Transit Administration (FTA) is establishing an Emergency Relief Docket for calendar year 2015 so that grantees and subgrantees affected by national or regional emergencies may request temporary relief from FTA administrative and statutory requirements.

FOR FURTHER INFORMATION CONTACT:

Bonnie L. Graves, Assistant Chief Counsel for Legislation and Regulations, Office of Chief Counsel, Federal Transit Administration, 1200 New Jersey Ave. SE., Room E56-306, Washington, DC 20590, phone: (202) 366-4011, fax: (202) 366-3809, or email, *Bonnie.Graves@dot.gov*.

SUPPLEMENTARY INFORMATION: Pursuant to title 49 CFR part 601, subpart D, FTA

is establishing the Emergency Relief Docket for calendar year 2015. Subsequent to an emergency or major disaster, the docket may be opened at the request of a grantee or subgrantee, or on the Administrator's own initiative.

In the event a grantee or subgrantee believes the Emergency Relief Docket should be opened and it has not been opened, that grantee or subgrantee may submit a petition in duplicate to the Administrator, via U.S. mail, to: Federal Transit Administration, 1200 New Jersey Ave. SE., Washington, DC 20590; via telephone, at: (202) 366-4011; via fax, at (202) 366-3472, or via email, to *bonnie.graves@dot.gov*, requesting opening of the Docket for that emergency and including the information set forth below.

Section 5324(d) of title 49, U.S.C. provides that a grant awarded under section 5324 or under 49 U.S.C. 5307 or 49 U.S.C. 5311 that is made to address an emergency shall be subject to the terms and conditions the Secretary determines are necessary. This language allows FTA to waive statutory, as well as administrative, requirements. Therefore, grantees affected by an emergency or major disaster may request waivers of provisions of chapter 53 of title 49, U.S.C. when a grantee or subgrantee demonstrates the requirement(s) will limit a grantee's or subgrantee's ability to respond to an emergency. Grantees must follow the procedures set forth below when requesting a waiver of statutory or administrative requirements.

All petitions for relief from a provision of chapter 53 of title 49, U.S.C. or FTA administrative requirements must be posted in the docket in order to receive consideration by FTA. The docket is publicly available and can be accessed 24 hours a day, seven days a week, via the Internet at *www.regulations.gov*. Petitions may also be submitted by U.S. mail or by hand delivery to the DOT Docket Management Facility, 1200 New Jersey Ave. SE., Room W12-140, Washington, DC 20590. Any grantee or subgrantee submitting petitions for relief or comments to the docket must include the agency name (Federal Transit Administration) and docket number FTA-2015-0001. Grantees and subgrantees making submissions to the docket by mail or hand delivery should submit two copies. Grantees and subgrantees are strongly encouraged to contact their FTA regional office and notify FTA of the intent to submit a petition to the docket.

In the event a grantee or subgrantee needs to request immediate relief and does not have access to electronic

means to request that relief, the grantee or subgrantee may contact any FTA regional office or FTA headquarters and request that FTA staff submit the petition on its behalf.

A petition for relief shall:

(a) Identify the grantee or subgrantee and its geographic location;

(b) Identify the section of chapter 53 of title 49, U.S.C., or the FTA policy statement, circular, guidance document and/or rule from which the grantee or subgrantee seeks relief;

(c) Specifically address how a requirement in chapter 53 of title 49 U.S.C., or an FTA requirement in a policy statement, circular, agency guidance or rule will limit a grantee's or subgrantee's ability to respond to an emergency or disaster; and

(d) Specify if the petition for relief is one-time or ongoing, and if ongoing identify the time period for which the relief is requested. The time period may not exceed three months; however, additional time may be requested through a second petition for relief.

A petition for relief from administrative requirements will be conditionally granted for a period of three (3) business days from the date it is submitted to the Emergency Relief Docket. FTA will review the petition after the expiration of the three business days and review any comments submitted thereto. FTA may contact the grantee or subgrantee that submitted the request for relief, or any party that submits comments to the docket, to obtain more information prior to making a decision. FTA shall then post a decision to the Emergency Relief Docket. FTA's decision will be based on whether the petition meets the criteria for use of these emergency procedures, the substance of the request, and the comments submitted regarding the petition. If FTA does not respond to the request for relief to the docket within three business days, the grantee or subgrantee may assume its petition is granted for a period not to exceed three months until and unless FTA states otherwise.

A petition for relief from statutory requirements will not be conditionally granted and requires a written decision from the FTA Administrator.

Pursuant to section 604.2(f) of FTA's charter rule (73 FR 2325, Jan. 14, 2008), grantees and subgrantees may assist with evacuations or other movement of people that might otherwise be considered charter transportation when that transportation is in response to an emergency declared by the President, governor, or mayor, or in an emergency requiring immediate action prior to a formal declaration, even if a formal

declaration of an emergency is not eventually made by the President, governor or mayor. Therefore, a request for relief is not necessary in order to provide this service. However, if the emergency lasts more than 45 calendar days, the grantee or subgrantee shall follow the procedures set out in this notice.

FTA reserves the right to reopen any docket and reconsider any decision made pursuant to these emergency procedures based upon its own initiative, based upon information or comments received subsequent to the three business day comment period, or at the request of a grantee or subgrantee upon denial of a request for relief. FTA shall notify the grantee or subgrantee if it plans to reconsider a decision. FTA decision letters, either granting or denying a petition, shall be posted in the Emergency Relief Docket and shall reference the document number of the petition to which it relates.

Therese McMillan,
Acting Administrator.

Norfolk Southern Railway Company (NSR) has filed a verified notice of exemption under 49 CFR pt. 1152 subpart F—*Exempt Abandonments* to abandon approximately 1.30 miles of railroad line (the Line). The Line extends between mileposts EU 0.70 and EU 2.00 near Massillon, in Stark County, Ohio and traverses United States Postal Service Zip Code 44647.

NSR has certified that: (1) No local traffic has moved over the Line for at least two years; (2) no overhead traffic has moved over the Line for at least two years, and overhead traffic, if there were any, could be rerouted over other lines; (3) no formal complaint filed by a user of rail service on the Line (or by a state or local government entity acting on behalf of such user) regarding cessation of service over the Line either is pending with the Surface Transportation Board (Board) or with any U.S. District Court or has been decided in favor of complainant within the two-year period; and (4) the requirements at 49 CFR 1105.7(c) (environmental report), 49 CFR 1105.11

(transmittal letter), 49 CFR 1105.12 (newspaper publication), and 49 CFR 1152.50(d)(1) (notice to governmental agencies) have been met.

As a condition to this exemption, any employee adversely affected by the abandonment shall be protected under *Oregon Short Line Railroad—Abandonment Portion Goshen Branch Between Firth & Ammon, in Bingham & Bonneville Counties, Idaho*, 360 I.C.C. 91 (1979). To address whether this condition adequately protects affected employees, a petition for partial revocation under 49 U.S.C. 10502(d) must be filed.

Provided no formal expression of intent to file an offer of financial assistance (OFA) has been received, this exemption may become effective on February 28, 2015, unless stayed pending reconsideration. Petitions to stay that do not involve environmental issues,¹ formal expressions of intent to file an OFA under 49 CFR 1152.27(c)(2),² and interim trail use/rail banking requests under 49 CFR 1152.29 must be filed by February 9, 2015. If the verified notice contains false or misleading information, the exemption is void *ab initio*.

NSR has filed a combined environmental and historic report that address the effects, if any, of the abandonment on the environment and historic resources. OEA will issue an environmental assessment (EA) by February 3, 2015. Interested persons may obtain a copy of the EA by writing to OEA (Room 1100, Surface Transportation Board, Washington, DC 20423-0001) or by calling OEA at (202) 245-0305. Assistance for the hearing impaired is available through the Federal Information Relay Service at

See *Exemption of Out-of-Serv. Rail Lines*, 5 I.C.C. 2d 377 (1989). Any request for a stay should be filed as soon as possible so that the Board may take appropriate action before the exemption's effective date.

² Each OFA must be accompanied by the filing fee, which is currently set at \$1,600. See 49 CFR 1002.2(f)(25).

(800) 877-8339. Comments on environmental and historic preservation matters must be filed within 15 days after the EA becomes available to the public.

Pursuant to the provisions of 49 CFR 1152.29(e)(2), NSR shall file a notice of consummation with the Board to signify that it has exercised the authority granted and fully abandoned the Line. If consummation has not been effected by NSR's filing of a notice of consummation by January 29, 2016, and there are no legal or regulatory barriers to consummation, the authority to abandon will automatically expire.
