This information collection pertains to information, as required in DFARS Parts 208, 209, 235, and associated clauses in Part 252 that an offeror must submit to DoD in response to a request for proposals or an invitation for bids or a contract requirement, except that provision 252.209–7001 was recently relocated to 252.225–7050. The 1 burden hour for this provision will be transferred to OMB clearance 0704–0229 (part 225) the next time that clearance is renewed. In particular, the information collection covers the following DFARS requirements:

- 252.208–7000, *Intent to Furnish Precious Metals as Government-Furnished Material*. Paragraph (b) of this clause requires an offeror to cite the type and quantity of precious metals required in the performance of the contract. Paragraph (c) requires the offeror to submit two prices for each deliverable item that contains precious metals: One based on the Government furnishing the precious metals, and the other based on the contractor furnishing the precious metals.

○ 252.209–7002, *Disclosure of Ownership or Control by a Foreign Government*. Paragraph (d) requires the offeror to provide a disclosure with its offer of any interest a foreign government has in the offeror when that interest constitutes control of the offeror by a foreign government.

Paragraph (b) requires the Contractor to notify the contracting officer in writing before entering into a subcontract in excess of \$30,000 with a party that is identified in the List of Parties Excluded from Federal Procurement and Nonprocurement Programs as being ineligible for award of Defense subcontracts because it is owned or controlled by the government of a country that is a state sponsor of terrorism. The contractor must provide the name of the proposed subcontractor and the compelling reasons for doing business with the subcontractor.
