SUPPLEMENTARY INFORMATION: On September 9, 2014, we published in the **Federal Register** (79 FR 53346–53352) a proposal to amend our regulations governing the importations of fruits and vegetables by broadening our existing performance standard to provide for approval of all new fruits and vegetables for importation into the United States using a notice-based process. We also proposed to remove the region- or commodity-specific phytosanitary requirements currently found in these regulations. Likewise, we proposed an equivalent revision of the performance standard in our regulations governing the interstate movement of fruits and vegetables from Hawaii and the U.S. territories (Guam, Northern Mariana Islands, Puerto Rico, and the U.S. Virgin Islands) and the removal of commodity-specific phytosanitary requirements from those regulations. This proposal would allow for the approval of requests to authorize the importation or interstate movement of new fruits and vegetables in a manner that enables a more flexible and responsive regulatory approach to evolving pest situations in both the United States and exporting countries. It would not however, alter the science-based process in which the risk associated with importation or interstate movement of a given fruit or vegetable is evaluated or the manner in which risks associated with the importation or interstate movement of a fruit or vegetable are mitigated.

Comments on the proposed rule were required to be received on or before November 10, 2014. On December 4, 2014, we published in the **Federal Register** (79 FR 71973) a notice of reopening of the comment period for an additional 60 days. Comments were required to be received on or before January 9, 2015.

We are reopening the comment period on Docket No. APHIS–2010–0082 for an additional 60 days. We will also accept all comments received between January 10, 2015 (the day after the close of the initial extended comment period) and the date of this notice. This action will allow interested persons additional time to prepare and submit comments.
