Information Collection Request Title: SF-424 A Budget Information for Non-Construction Programs.

Abstract: SF-424 A Budget Information for Non-Construction Programs is used to request funds for non-construction grant programs.

Need and Proposed Use of the Information: The SF-424 A Budget Information for Non-Construction Programs is used to request funds for construction grant programs. The Federal awarding agencies use information submitted on this form for award determination of the Federal assistance awards programs.

Likely Respondents: Federal grant applicants.

Burden Statement: Burden in this context means the time expended by persons to generate, maintain, retain, disclose or provide the information requested. This includes the time needed to review instructions, to develop, acquire, install and utilize technology and systems for the purpose of collecting, validating and verifying information, processing and maintaining information, and disclosing and providing information, to train personnel and to be able to respond to a collection of information, to search data sources, to complete and review the collection of information, and to transmit or otherwise disclose the information. The total annual burden hours estimated for this ICR are summarized in the table below.

TOTAL ESTIMATED ANNUALIZED BURDEN—HOURS

Form name	Number of respondents	Number of responses per respondent	Average burden per response (in hours)	Total burden hours
	40,000	1	1	40,000
Total	40,000	1	1	40,000

Grants.gov specifically requests comments on (1) the necessity and utility of the proposed information collection for the proper performance of the agency's functions, (2) the accuracy of the estimated burden, (3) ways to enhance the quality, utility, and clarity of the information to be collected, and (4) the use of automated collection techniques or other forms of information technology to minimize the information collection burden.

Agency Information Collection Activities; Proposed Collection; Public Comment Request

AGENCY: Electronic Government Office, Department of Health and Human Services.

ACTION: Notice.

SUMMARY: In compliance with section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, Grants.gov (EGOV), Department of Health and Human Services, announces plans to submit an Information Collection

Request (ICR), described below, to the Office of Management and Budget (OMB). The ICR is for reinstatement of a previously-approved information collection assigned OMB control number 4040-0012-SF-270: Request for Advance or Reimbursement, which expired on October 31, 2013. The ICR also requests categorizing the form as a common form, meaning HHS will only request approval for its own use of the form rather than aggregating the burden estimate across all Federal Agencies as was done for previous actions on this OMB control number. Prior to submitting that ICR to OMB, EGOV seeks comments from the public regarding the burden estimate, below, or any other aspect of the ICR.

DATES: The 60-day Comment Period closed on January 5, 2015. No comments were received. Comments on the ICR must be received on or before March 13, 2015.

ADDRESSES: Submit your comments to *ed.calimag@hhs.gov* or (202) 690-7569.

SUPPLEMENTARY INFORMATION: Form is available upon request.

Information Collection Request Title: Request for Advance or Reimbursement.

Abstract: The SF-270 is used to request funds for all non-construction

grant programs when letters of credit or predetermined advance methods are not used.

Need and Proposed Use of the Information: The SF-270 is used to request funds for all non-construction grant programs when letters of credit or predetermined advance methods are not used. The ICR also requests categorizing the form as a common form, meaning HHS will only request approval for its own use of the form rather than aggregating the burden estimate across all Federal Agencies as was done for previous actions on this OMB control number. The Federal awarding agencies and OMB use information reported on this form for general management of the Federal assistance awards programs.

Likely Respondents: Federal grant award recipients.

Burden Statement: Burden in this context means the time expended by persons to generate, maintain, retain, disclose or provide the information requested. This includes the time needed to review instructions, to develop, acquire, install and utilize technology and systems for the purpose of collecting, validating and verifying information, processing and maintaining information, and disclosing and providing information, to train personnel and to be able to respond to a collection of information, to search data sources, to complete and review

the collection of information, and to transmit or otherwise disclose the information. The total annual burden

hours estimated for this ICR are summarized in the table below.

TOTAL ESTIMATED ANNUALIZED BURDEN—HOURS

Form name	Number of respondents	Number of responses per respondent	Average burden per response (in hours)	Total burden hours
	100,000	1	1	100,000
Total	100,000	1	1	100,000

Grants.gov specifically requests comments on (1) the necessity and utility of the proposed information collection for the proper performance of the agency’s functions, (2) the accuracy of the estimated burden, (3) ways to enhance the quality, utility, and clarity of the information to be collected, and (4) the use of automated collection techniques or other forms of information technology to minimize the information collection burden.

SUPPLEMENTARY INFORMATION: Form is available upon request.

Information Collection Request Title: SF–424 Mandatory Form.

Abstract: The SF–424 Mandatory Form provides the Federal grant-making agencies an alternative to the Standard Form 424 data set and form. Agencies

may use the SF–424 Mandatory Form for grant programs not required to collect all the data that is required on the SF–424 core data set and form.

Need and Proposed Use of the Information: To obtain Federal grants funds, applicant organizations must apply to the Federal agency or organization responsible for administering the grant program. The SF–424 Mandatory Form will be used by applicants to apply for Federal grants and for Federal agencies to review submissions for Federal grants funds.

Likely Respondents: Federal grant applicants.

Burden Statement: Burden in this context means the time expended by persons to generate, maintain, retain, disclose or provide the information requested. This includes the time needed to review instructions, to develop, acquire, install and utilize technology and systems for the purpose of collecting, validating and verifying information, processing and maintaining information, and disclosing and providing information, to train personnel and to be able to respond to a collection of information, to search data sources, to complete and review the collection of information, and to transmit or otherwise disclose the information.
