Title of Collection: State Tribal Education Partnership (STEP).

OMB Control Number: 1810-NEW.

Type of Review: A new information collection.

Respondents/Affected Public: State, Local and Tribal Governments.

Total Estimated Number of Annual Responses: 80.

Total Estimated Number of Annual Burden Hours: 4,000.

Abstract: The purposes of the State Tribal Education Partnership (STEP) program are to: (1) Promote increased collaboration between Tribal educational agencies (TEAs) and the State educational agencies (SEAs) and

local educational agencies (LEAs) that serve students from affected tribes; and (2) build the capacity of TEAs to conduct certain administrative functions under certain Elementary and Secondary Education Act of 1965 (ESEA) formula grant programs for eligible schools, as determined by the TEA, SEA, and LEA. This award is made under the Indian Education National Activities authority, as authorized under ESEA title VII, Part A (Title VII). During the pilot of this grant competition, the Department of Education (Department) relied exclusively on selection criteria from the Education Department General Administrative Regulations and therefore used the generic application package approved under 1894-0006. For the FY 2015 grant competition, the Department proposes to use program-specific selection criteria, seeking approval for a new discretionary STEP grant application.
