Background

The Act (16 U.S.C. 1531 *et seq.*) prohibits certain activities with respect to endangered and threatened species unless a Federal permit allows such activity. Along with our implementing regulations in the Code of Federal Regulations (CFR) at 50 CFR 17, the Act provides for certain permits, and requires that we invite public comment before issuing these permits for endangered species.

A permit granted by us under section 10(a)(1)(A) of the Act authorizes the permittee to conduct activities (including take or interstate commerce) with respect to U.S. endangered or threatened species for scientific purposes or enhancement of propagation or survival. Our regulations implementing section 10(a)(1)(A) of the Act for these permits are found at 50 CFR 17.22 for endangered wildlife species, 50 CFR 17.32 for threatened wildlife species, 50 CFR 17.62 for endangered plant species, and 50 CFR 17.72 for threatened plant species.

SUPPLEMENTARY INFORMATION:

I. Abstract

The Secretary of the Interior probates the estates of individual Indians owning trust or restricted property in accordance with 25 U.S.C. 372-373. In order to compile the probate file, the Bureau of Indian Affairs (BIA) must obtain information regarding the deceased from individuals and the tribe. This request for renewal makes adjustments to reflect the accurate number of respondents. As a result, the estimated burden hours has increased from 1,037,493 to 1,037,513 hours. No other changes were made to the information collection.

II. Request for Comments

On October 28, 2014, the BIA published a notice announcing the renewal of this information collection and provided a 60-day comment period in the **Federal Register** (79 FR 64210). The BIA received one comment in response to this notice. The commenter expressed disagreement with the application of the Act of August 4, 1947, 61 Stat. 731, and proposed repealing of the 1947 Act would reduce the burden in collecting information for probate of restricted land. However, the data for this information collection is collected under 25 U.S.C. 372-373, which does not apply to members of the Five Civilized Tribes. Therefore, no changes

were made to this information collection.

The BIA requests your comments on this collection concerning: (a) The necessity of this information collection for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) The accuracy of the agency's estimate of the burden (hours and cost) of the collection of information, including the validity of the methodology and assumptions used; (c) Ways we could enhance the quality, utility, and clarity of the information to be collected; and (d) Ways we could minimize the burden of the collection of the information on the respondents.

Please note that an agency may not conduct or sponsor, and an individual need not respond to, a collection of information unless it has a valid OMB Control Number.

It is our policy to make all comments available to the public for review at the location listed in the **ADDRESSES** section.

Before including your address, phone number, email address or other personally identifiable information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.
