Abstract: Pursuant to the Commodity Exchange Act, as amended by the Dodd-Frank Wall Street Reform and Consumer Protection Act ("Dodd-Frank Act"), Pub. Title, Associated Form and Omb Number: 2015 Survey of Registered Voters Living Overseas; OMB Control Number 0704-TBD.

Type of Request: New

Number of Respondents: 18,000

Responses per Respondent: 1

Annual Responses: 18,000

Average Burden per Response: 10 minutes

Annual Burden Hours: 3,000

Needs and Uses: The Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA) requires the States to allow Uniformed Services personnel, their family members, and overseas citizens to use absentee registration procedures and to vote by absentee ballot in general, special, primary, and runoff elections for Federal offices. The Act covers members of the Uniformed Services and the merchant marine to include the commissioned corps of the National Oceanic and Atmospheric Administration and Public Health Service and their eligible dependents, Federal civilian employees overseas, and overseas U.S. citizens not affiliated with the Federal Government.

Subsequent to each Presidential election year, FVAP must report voter registration and participation rates for uniformed service voters and overseas citizens to Congress; while FVAP collects data for this report through regular surveys of uniformed service voters and other relevant UOCAVA populations, it does not currently collect data from non-military, non-government overseas civilians. The 2015 Survey of Registered Voters Living Overseas research project will serve as a pilot, examining the feasibility of collecting data from this population by surveying a sample of registered voters living overseas during the 2014 election. Collecting information from this population will also support FVAP in

its purpose of ensuring that Service members, their eligible family members and overseas citizens are aware of their right to vote and have the tools and resources to successfully do so from anywhere in the world. In addition to determining the feasibility of conducting a survey of overseas civilians, the information collected will be used for overall program evaluation, management and improvement, and to compile the congressionally-mandated report to the President and Congress.

Affected Public: Individuals or households.

Frequency: On occasion.

Respondent's Obligation: Voluntary.
