

conform to the provisions of section 201.8 of the *Commission's Rules of Practice and Procedure* (19 CFR 201.8). Section 201.8 and the Commission's Handbook on Filing Procedures require that interested parties file documents electronically on or before the filing deadline and submit eight (8) true paper copies by 12:00 p.m. eastern time on the next business day. If confidential treatment of a document is requested, interested parties must file, at the same time as the eight paper copies, at least four (4) additional true paper copies in which the confidential information must be deleted (see the following paragraph for further information regarding confidential business information). Persons with questions regarding electronic filing should contact the Secretary (202-205-2000).

Any submissions that contain confidential business information must also conform to the requirements of section 201.6 of the Commission's *Rules of Practice and Procedure* (19 CFR 201.6). Section 201.6 of the rules requires that the cover of the document and the individual pages be clearly marked as to whether they are the "confidential" or "non-confidential" version, and that the confidential business information is clearly identified by means of brackets. All written submissions, except for confidential business information, will be made available for inspection by interested parties.

The Commission intends to publish only a public report in this review. Consequently, the report that the Commission sends to the committees will not contain any confidential business information. Any confidential business information received by the Commission in this investigation and used in preparing its report will not be published in a manner that would reveal the operations of the firm supplying the information.

Summaries of Written Submissions: The Commission intends to publish summaries of the positions of interested persons in an appendix to its report. Persons wishing to have a summary of their position included in the appendix should include a summary with their written submission. The summary may not exceed 500 words, should be in MSWord format or a format that can be easily converted to MSWord, and should not include any confidential business information. The summary will be published as provided if it meets these requirements and is germane to the subject matter of the investigation. In the appendix the Commission will identify the name of the organization furnishing the summary, and will

include a link to the Commission's Electronic Document Information System (EDIS) where the full written submission can be found.

SUMMARY: The Commission hereby gives notice of the scheduling of expedited reviews pursuant to section 751(c)(3) of the Tariff Act of 1930 (19 U.S.C. 1675(c)(3)) (the Act) to determine whether revocation of the antidumping duty orders on prestressed concrete steel wire strand from Brazil, India, Korea, Mexico, and Thailand, and the antidumping finding on prestressed concrete steel wire strand from Japan, as well as revocation of the countervailing duty order on prestressed concrete steel wire strand from India, would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time. SUPPLEMENTARY INFORMATION:

Background. On Friday, February 6, 2015, the Commission determined that for each review, the domestic interested party group response to its notice of institution (79 FR 65246, November 3, 2014) of the subject five-year reviews was adequate and that the respondent interested party group response was inadequate. The Commission did not find any other circumstances that would warrant conducting full reviews.¹ Accordingly, the Commission determined that it would conduct expedited reviews pursuant to section 751(c)(3) of the Act.

Staff report. A staff report containing information concerning the subject matter of the reviews will be placed in the nonpublic record on Thursday, March 5, 2015, and made available to persons on the Administrative Protective Order service list for these reviews. A public version will be issued thereafter, pursuant to section 207.62(d)(4) of the Commission's rules.

Written submissions. As provided in section 207.62(d) of the Commission's rules, interested parties that are parties to the reviews and that have provided individually adequate responses to the notice of institution,² and any party other than an interested party to the reviews may file written comments with the Secretary on what determination the Commission should reach in the reviews. Comments are due on or before Tuesday, March 10, 2015 and may not contain new factual information. Any person that is neither a party to the five-year reviews nor an interested party may submit a brief written statement (which shall not contain any new factual information) pertinent to the reviews by Tuesday, March 10, 2015. However, should the Department of Commerce extend the time limit for its completion of the final results of its reviews, the deadline for comments (which may not contain new factual information) on Commerce's final results is three business days after the issuance of Commerce's results. If

¹ A record of the Commissioners' votes, the Commission's statement on adequacy, and any individual Commissioner's statements will be available from the Office of the Secretary and at the Commission's Web site.

² The Commission has found the responses submitted by Insteel Wire Products Company and Sumiden Wire Products Corp. to be individually adequate. Comments from other interested parties will not be accepted (see 19 CFR 207.62(d)(2)).

comments contain business proprietary information (BPI), they must conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission's rules. Please be aware that the Commission's rules with respect to filing have changed. The most recent amendments took effect on July 25, 2014. See 79 FR 35920 (June 25, 2014), and the revised Commission Handbook on E-filing, available from the Commission's Web site at <http://edis.usitc.gov>.

In accordance with sections 201.16(c) and 207.3 of the rules, each document filed by a party to the reviews must be served on all other parties to the reviews (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Determination. The Commission has determined these reviews are extraordinarily complicated and therefore has determined to exercise its authority to extend the review period by up to 90 days pursuant to 19 U.S.C. 1675(c)(5)(B).

Authority: These reviews are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.62 of the Commission's rules.

[Investigation No. 337-TA-936]

Certain Footwear Products; Notice of a Commission Determination Not to Review Granting New Balance Athletic Shoe, Inc.'s Motion To Intervene as a Respondent

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review an initial determination ("ID") (Order No. 36) of the presiding administrative law judge ("ALJ") granting New Balance Athletic Shoe, Inc.'s ("New Balance") motion to intervene as a respondent in the investigation.

FOR FURTHER INFORMATION CONTACT:

Clint Gerdine, Esq., Office of the General Counsel, U.S. International Trade Commission, 500 E Street SW., Washington, DC 20436, telephone (202) 708-2310. Copies of non-confidential documents filed in connection with this investigation are or will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street SW., Washington, DC 20436, telephone (202) 205-2000. General information concerning the Commission may also be obtained by accessing its Internet server at <http://www.usitc.gov>. The public record for this investigation may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205-1810.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on November 17, 2014, based on a complaint filed on behalf of Converse Inc. ("Converse") of North Andover, Massachusetts. 79 FR 68482. The complaint alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, by reason of infringement of certain U.S. Trademark Registration Nos.: 4,398,753; 3,258,103; and 1,588,960. The complaint further alleges violations of section 337 based upon unfair competition/false designation of origin, common law trademark infringement and unfair competition, and trademark dilution, the threat or effect of which is to destroy or substantially injure an industry in the United States. The Commission's notice of investigation named several respondents.

On January 12, 2015, non-party New Balance of Boston, Massachusetts moved to intervene as a respondent in the investigation. The Commission investigative attorney filed a response in support of the motion, and Converse filed a response indicating that it did not oppose the motion and affirmed that intervention would not delay or prejudice adjudication of the original parties' rights. Other parties did not oppose the motion.

On January 27, 2015, the ALJ issued the subject ID (Order No. 36) granting New Balance's motion to intervene as a respondent in the investigation. No party petitioned for review of the ID.

The Commission has determined not to review the ID.

The authority for the Commission's determination is contained in section

337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, and in Part 210 of the Commission's Rules of Practice and Procedure, 19 CFR part 210.

Issued: February 18, 2015.
