Drawbridge Operation Regulation; Umpqua River, Reedsport, OR**AGENCY:** Coast Guard, DHS.**ACTION:** Notice of deviation from drawbridge regulations.

SUMMARY: The Coast Guard has issued a temporary deviation from the operating schedule that governs the U.S. 101 Highway Bridge across the Umpqua River, mile 11.1, at Reedsport, OR. The deviation is necessary to accommodate steel bracing repair and electrical station repair on the bridge. This deviation allows the U.S. 101 Umpqua River Bridge to remain in the closed position during repairs.

DATES: This deviation is effective from 6 a.m. on February 23, 2015 to 11 p.m. on March 6, 2015.

SUPPLEMENTARY INFORMATION: The Oregon Department of Transportation requested that the U.S. 101 Umpqua River drawbridge, near Reedsport Oregon, remain in the closed-to-navigation position to facilitate steel bracing and stanchion repair. The U.S. 101 Bridge crosses the Umpqua River at mile 11.1 and provides 36 feet of vertical clearance above mean high water when in the closed position. Currently, the U.S. 101 Umpqua River Bridge is operating under a Temporary Final Rule (TFR), 33 CFR 117.898(d), 78

FR 70222, that allows the bridge to open once at 7 a.m. and once at 6 p.m., if an opening is requested at least six hours in advance. This TFR is effective from December 1, 2013 to September 30, 2015.

This deviation period is from 6 a.m. on February 23, 2015 to 11 p.m. March 6, 2015. The deviation allows the U.S. 101 Umpqua River Bridge, mile 11.1, to remain in the closed-to-navigation position and need not open for maritime traffic from 6 a.m. on February 23, 2015 to 11 p.m. March 06, 2015, except that, in approximately the second week of the project, the bridge will open at 7 a.m. and 6 p.m. on one day only if a minimum of 6 hours advanced notice is given. Mariners needing an opening, approximately half way through this project, are requested to coordinate with the bridge repair Project Inspector, Don Hyatt, at 541–297–8804, with as much advanced notice as possible.

Waterway usage on this stretch of the Umpqua River includes vessels ranging from occasional commercial tug and barge to small pleasure craft. Mariners will be notified and kept informed of the bridge’s operational status via the Coast Guard Notice to Mariners publication and Broadcast Notice to Mariners as appropriate. The draw span will not be able to open for emergencies and there is no immediate alternate route for vessels to pass. Vessels which do not require an opening of the bridge may continue to transit beneath the bridge during this repair period.

In accordance with 33 CFR 117.35(e), the drawbridge must return to its regular operating schedule immediately at the end of the designated time period. This deviation from the operating regulations is authorized under 33 CFR 117.35.

Dated: February 13, 2015.

Steven M. Fischer,

Bridge Administrator, Thirteenth Coast Guard District.

DEPARTMENT OF VETERANS AFFAIRS**38 CFR Part 62****RIN 2900–AO50****Supportive Services for Veteran Families Program****AGENCY:** Department of Veterans Affairs.**ACTION:** Final rule.

SUMMARY: This rule adopts as final, with changes, a proposed rule of the Department of Veterans Affairs (VA) to

amend its regulations concerning the Supportive Services for Veteran Families Program (SSVF). In the proposed rule published on May 9, 2014, VA proposed to make a number of changes to the SSVF program to emphasize the intended goals of SSVF. VA is making minor changes to the proposed rule based on comments we received.

DATES: Effective Date: This rule is effective on March 26, 2015.

FOR FURTHER INFORMATION CONTACT: John Kuhn, National Center for Homelessness Among Veterans, Supportive Services for Veteran Families Program Office (10NC1), 4100 Chester Avenue, Suite 200, Philadelphia, PA 19104, (877) 737–0111. (This is a toll-free number.)

SUPPLEMENTARY INFORMATION: On May 9, 2014, VA published a proposed rule in the **Federal Register**, at 79 FR 26669, to amend its regulations concerning the Supportive Services for Veterans Families (SSVF) program. Under authority provided by 38 U.S.C. 2044, VA has offered grants to eligible entities, identified in the regulations, that provide supportive services to very low-income veterans and families who are at risk for becoming homeless or who, in some cases, have recently become homeless. The program has been a tremendous success, providing services to over 62,000 participants in fiscal year (FY) 2013, 20,000 more than projected. To date, over 80 percent of those discharged from SSVF have been placed in or saved their permanent housing. VA received 27 comments on the rule, and many of them supported the proposed changes in whole or in part. This final rule adopts the proposed rule with changes as discussed below.

Definitions

Several commenters offered suggestions regarding the definition of various terms. The most common recommendation was to amend the definition of the term “homeless.” Several of these comments recommended that VA establish different standards for homelessness in urban and rural areas. However, “homeless” is a term defined in statute. In 38 U.S.C. 2044(f)(3), the term “homeless” is defined as having the same meaning given that term in section 103 of the McKinney-Vento Homelessness Assistance Act, codified at 42 U.S.C. 11302, which does not differentiate between urban and rural areas. Consequently, VA lacks the authority to vary the definition of “homeless” between urban and rural areas. Even if VA did have authority to apply different definitions for different
