Proposed Information Collection Activity; Comment Request

Title: Affordable Care Act Tribal Maternal, Infant, and Early Childhood Home Visiting Program: Guidance for Submitting an Annual Report to the Secretary.

OMB No.: 0970-0409.

Description: Section 511(e)(8)(A) of the Social Security Act, as added by Section 2951 of the Affordable Care Act, requires that grantees under the Maternal, Infant, and Early Childhood Home Visiting (MIECHV) program for states and jurisdictions submit an annual report to the Secretary of Health and Human Services regarding the program and activities carried out under the program, including such data and information as the Secretary shall require. Section 511 (h)(2)(A) further states that the requirements for the MIECHV grants to tribes, tribal organizations, and urban Indian

organizations are to be consistent, to the greatest extent practicable, with the requirements for grantees under the MIECHV program for states and jurisdictions.

The Administration for Children and Families, Office of Child Care, in collaboration with the Health Resources and Services Administration, Maternal and Child Health Bureau, has awarded grants for the Tribal Maternal, Infant, and Early Childhood Home Visiting Program (Tribal Home Visiting). The Tribal Home Visiting discretionary grants support cooperative agreements to conduct community needs assessments; plan for and implement high-quality, culturally-relevant, evidence-based home visiting programs in at-risk tribal communities; establish, measure, and report on progress toward meeting performance measures in six legislatively-mandated benchmark areas; and participate in rigorous evaluation activities to build the knowledge base on home visiting among Native populations.

Tribal Home Visiting grantees have been notified that in every year of their grant, after the first year, they must comply with the requirement for submitting an Annual Report to the Secretary that should feature activities carried out under the program during the past reporting period. In order to assist grantees with meeting the requirements of the Annual Report to the Secretary, ACF created guidance for grantees to use when writing their

annual reports. The existing guidance (OMB Control No. 0970-0409, Expiration Date 9/30/15) provides sections where grantees must address the following:

- Update on Home Visiting Program Goals and Objectives
- Update on the Implementation of Home Visiting Program in Targeted Community(ies)
- Progress toward Meeting Legislatively Mandated Benchmark Requirements
- Update on Rigorous Evaluation Activities
- Home Visiting Program Continuous Quality Improvement (CQI) Efforts
- Administration of Home Visiting Program
- Technical Assistance Needs

The proposed data collection form is as follows:

ACF is requesting approval to renew and update the existing Tribal Home Visiting Guidance for Submitting an Annual Report to the Secretary (OMB Control No. 0970-0409) that will include instructions for grantees to submit either an annual or final report (in the final year of the grant) on the progress of their program to the Secretary, depending on the reporting period.

Respondents: Tribal Maternal, Infant, and Early Childhood Home Visiting Program Managers (The information collection does not include direct interaction with individuals or families that receive the services).

Estimated Total Annual Burden Hours: 1,250.

In compliance with the requirements of Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the Administration for Children and Families is soliciting public comment on the specific aspects of the information collection described above.
