RIN 0648-XD704

Whaling Provisions; Aboriginal Subsistence Whaling Quotas

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice; notification of quota for bowhead whales.

SUMMARY: NMFS notifies the public of the aboriginal subsistence whaling quota for bowhead whales that it has assigned to the Alaska Eskimo Whaling Commission (AEWC), and of limitations on the use of the quota deriving from regulations of the International Whaling Commission (IWC). For 2015, the quota is 75 bowhead whales struck. This quota and other applicable limitations govern the harvest of bowhead whales by members of the AEWC.

DATES: Effective February 26, 2015.

ADDRESSES: Office for International Affairs and Seafood Inspection, National Marine Fisheries Service, 1315 East-West Highway, Silver Spring, MD 20910.

FOR FURTHER INFORMATION CONTACT: Melissa Garcia, (301) 427-8385.

SUPPLEMENTARY INFORMATION: Aboriginal subsistence whaling in the United States is governed by the Whaling Convention Act (WCA) (16 U.S.C. 916 *et seq.*). Under the WCA, IWC regulations shall generally become effective with respect

to all persons and vessels subject to the jurisdiction of the United States, within 90 days of notification from the IWC Secretariat of an amendment to the IWC Schedule (16 U.S.C. 916k). Regulations that implement the WCA, found at 50 CFR 230.6, require the Secretary of Commerce (Secretary) to publish, at least annually, aboriginal subsistence whaling quotas and any other limitations on aboriginal subsistence whaling deriving from regulations of the IWC.

At the 64th Annual Meeting of the IWC, the Commission set catch limits for aboriginal subsistence use of bowhead whales from the Bering-Chukchi-Beaufort Seas stock. The bowhead catch limits were based on a joint request by the United States and the Russian Federation, accompanied by documentation concerning the needs of two Native groups: Alaska Eskimos and Chukotka Natives in the Russian Far East.

The IWC set a 6-year block catch limit of 336 bowhead whales landed. For each of the years 2013 through 2018, the number of bowhead whales struck may not exceed 67, except that any unused portion of a strike quota from any prior year may be carried forward. No more than 15 strikes may be added to the strike quota for any one year. At the end of the 2014 harvest, there were 15 unused strikes available for carry-forward, so the combined strike quota set by the IWC for 2015 is 82 (67 + 15).

An arrangement between the United States and the Russian Federation ensures that the total quota of bowhead whales landed and struck in 2015 will not exceed the limits set by the IWC. Under this arrangement, the Russian natives may use no more than seven strikes, and the Alaska Eskimos may use no more than 75 strikes.

Through its cooperative agreement with the AEWC, NOAA has assigned 75 strikes to the Alaska Eskimos. The AEWC will in turn allocate these strikes among the 11 villages whose cultural and subsistence needs have been documented, and will ensure that its hunters use no more than 75 strikes.

Other Limitations

The IWC regulations, as well as the NOAA regulation at 50 CFR 230.4(c), forbid the taking of calves or any whale accompanied by a calf.

NOAA regulations (at 50 CFR 230.4) contain a number of other prohibitions relating to aboriginal subsistence whaling, some of which are summarized here:

- Only licensed whaling captains or crew under the control of those captains may engage in whaling.

- Captains and crew must follow the provisions of the relevant cooperative agreement between NOAA and a Native American whaling organization.

- The aboriginal hunters must have adequate crew, supplies, and equipment to engage in an efficient operation.

- Crew may not receive money for participating in the hunt.

- No person may sell or offer for sale whale products from whales taken in the hunt, except for authentic articles of Native American handicrafts.

- Captains may not continue to whale after the relevant quota is taken, after the season has been closed, or if their licenses have been suspended. They may not engage in whaling in a wasteful manner.

Dated: February 19, 2015.

AGENCY: DoD.

ACTION: Renewal of Federal Advisory Committee.

SUMMARY: The Department of Defense (DoD) is publishing this notice to announce that it is renewing the charter for the Missouri River (South Dakota) Task Force (“the Task Force”).

FOR FURTHER INFORMATION CONTACT: Jim Freeman, Advisory Committee Management Officer for the Department of Defense, 703-692-5952.

SUPPLEMENTARY INFORMATION: This committee’s charter is being renewed pursuant to section 905(a) of the Missouri River Restoration Act of 2000 (“the Missouri River Restoration Act”) (Title IX of Pub. L. 106-541, the Water Resources Development Act of 2000) and in accordance with the Federal Advisory Committee Act (FACA) of 1972 (5 U.S.C., Appendix, as amended) and 41 CFR 102-3.50(a).

The Task Force is a non-discretionary Federal advisory committee that shall provide independent advice and recommendations to the Secretary of the Army on plans and projects to reduce siltation of the Missouri River in the State of South Dakota and to meet the objectives of the Pick-Sloan Missouri River Basin Program authorized by

section 9 of the Flood Control Act of December 22, 1944 (58 Stat. 891).

Specifically, the Task Force shall:

a. Prepare and approve, by a majority of the members, a plan for the use of the funds made available under the Missouri River Restoration Act, to promote:

i. Conservation practices in the Missouri River watershed;

ii. the general control and removal of sediment from the Missouri River;

iii. the protection of recreation on the Missouri River from sedimentation;

iv. the protection of Indian and non-Indian historical and cultural sites along the Missouri River from erosion;

v. erosion control along the Missouri River; or

vi. any combination of the activities just described;

b. Review projects to meet the goals of the plan and recommend, to the Secretary of the Army, critical restoration projects for implementation; and

c. Determine whether these critical restoration projects primarily benefit the Federal Government for purposes of cost-sharing.

The Task Force may, on an annual basis, revise the plan and shall provide the public with the opportunity to review and comment on any proposed revision to the plan.

The Task Force shall report to the Secretary of the Army and the U.S. Army Corps of Engineers. The Secretary of the Army may act upon the Task Force's advice and recommendations. As prescribed by sections 904 and 905(b) of the Missouri River Act, the Task Force shall be composed of 29 members. Specifically, the Task Force membership shall be composed of the Secretary of the Army or designee, who shall serve as the Chairperson; Secretary of Agriculture or designee; Secretary of Energy or designee; Secretary of the Interior or designee; and the Trust. The Trust is composed of 25 members to be appointed by the Secretary of the Army, including 15 members recommended by the Governor of South Dakota that represent equally the various interest of the public and include representatives of: The South Dakota Department of Environment and Natural Resources; the South Dakota Department of Game, Fish, and Parks; environmental groups; the hydroelectric power industry; local governments; recreation user groups; agricultural groups; other appropriate interests; nine members, one of each of whom shall be recommended by each of the nine Indian Tribes in the State of South Dakota; and one member recommended by the organization known as the "Three Affiliated Tribes of

North Dakota" (composed of the Mandan, Hidatsa, and Arikara tribes).

The members of the Trust shall be appointed by the Secretary of the Army, in consultation with the Secretary of Defense or the Deputy Secretary of Defense, to serve as representative members to the Task Force pursuant to 41 CFR 102-3.130(a). Those individuals who are full-time or permanent part-time Federal officers or employees shall be appointed to serve as regular government employee (RGE) members pursuant to 41 CFR 102-3.130(a).

All representative members of the Trust shall be appointed for a two-year term of service; and no member, unless authorized by the Secretary of Defense upon request of the Secretary of the Army, may serve more than two consecutive terms of service. In addition, all Task Force members shall serve without compensation, with the exception of reimbursement for official Task Force-related travel and per diem.

The Department of Defense (DoD), when necessary and consistent with the Task Force's mission and DoD policies and procedures, may establish subcommittees, task groups, and working groups to support the Task Force. Establishment of subcommittees will be based upon a written determination, to include terms of reference, by the Secretary of Defense, the Deputy Secretary of Defense, or the Secretary of the Army, as the Task Force's Sponsor.

Such subcommittees shall not work independently of the Task Force and shall report all of their recommendations and advice solely to the Task Force for full and open deliberation and discussion. Subcommittees, task forces, or working groups have no authority to make decisions and recommendations, verbally or in writing, on behalf of the Task Force. No subcommittee or any of its members can update or report, verbally or in writing, on behalf of the Task Force, directly to the DoD or any Federal officers or employees.

The Secretary of Defense or the Deputy Secretary of Defense may approve the appointment of subcommittee members for a two-year term of service, with annual renewals; however, no member, unless authorized by the Secretary of Defense, may serve more than two consecutive terms of service. With the exception of reimbursement for official Task Force-related travel and per diem, subcommittee members shall serve without compensation.

Each subcommittee member is appointed to provide advice to the Government on the basis of his or her best judgment without representing any particular point of view and in a manner that is free from conflict of interest.

All subcommittees operate under the provisions of the FACA, the Sunshine Act, governing Federal statutes and regulations, and established DoD policies and procedures.

The estimated number of Task Force meetings is no less than two per year.

The Task Force's Designated Federal Officer (DFO), pursuant to DoD policy, shall be a full-time or permanent part-time DoD employee appointed in accordance with governing DoD policies and procedures.

The Task Force's DFO is required to be in attendance at all meetings of the Task Force and any of its subcommittees for the entire duration of each and every meeting. However, in the absence of the Task Force's DFO, a properly approved Alternate DFO, duly appointed to the Task Force according to established DoD policies and procedures, shall attend the entire duration of the Task Force or any subcommittee meeting.

The DFO, or the Alternate DFO, shall call all meetings of the Task Force and its subcommittees; prepare and approve all meeting agendas; and adjourn any meeting when the DFO, or the Alternate DFO, determines adjournment to be in the public interest or required by governing regulations or DoD policies and procedures.
